ASTROGRAPH

Your Birthday
FRIDAY, MAY 29, 2026

By Eugenia Last
Happy Birthday: You'll be torn between what's mandatory and what's necessary to your emotional well-being. Try to bridge the gap between pleasing others and pleasing yourself to ensure you make the most of your time and money.

GEMINI (May 21-June 20) — Participation will give you plenty to think about and do. Expand your circle of friends, and incorporate the skills you enjoy doing most into your money-making projects.

CANCER (June 21-July 22) — Set time aside for fun, relaxation and finding people, places or pastimes that make you feel alive. Refuse to let the past hold you back or denial stop you from resolving issues.

LEO (July 23-Aug. 22) — Be cognizant of what others want, how they feel and what you can do to make life easier for you and your loved ones. Getting along will help you solve pending issues that are causing an emotional stalemate in your life.

VIRGO (Aug. 23-Sept. 22) — What you do for others will satisfy your soul and help you dodge an unfriendly encounter with someone who can cause you grief or setbacks regarding your professional goals or reputation.

LIBRA (Sept. 23-Oct. 23) — Dig deep, discover what's possible and lay down a foundation that will help you position yourself for success. Refuse to let unrealistic suggestions lead you down a path that's costly and unproductive.

SCORPIO (Oct. 24-Nov. 22) — Plans should include learning, discovering and being romantic. How you plan and

schedule your time will determine how your day unfolds. Personal changes will turn out better than anticipated.

SAGITTARIUS (Nov. 23-Dec. 21) — You're capable of so much more than you realize. Home improvement projects are favored, along with meaningful relationships and mapping out plans that offer the best of both home life and romance.

CAPRICORN (Dec. 22-Jan. 19) — Reach out to those who bring out the best in you. Suggestions will come through loud and clear from those who have a unique perspective or vision of what you can accomplish.

AQUARIUS (Jan. 20-Feb. 19) — Entertain, engage in home improvements or explore the real estate market in a desirable area. Engage in conversations, gather facts and consider your budget and what you can comfortably afford.

PISCES (Feb. 20-March 20) — It's what you achieve that counts. Participate in events that allow you to flaunt your attributes and impress someone who can play an intricate part in your pursuits. Refuse to let your past hold you back.

ARIES (March 21-April 19) — Your emotional energy will be high and your ability to distinguish what's happening low. Proceed with caution and prudence. Too much of anything will be your downfall, along with temptation and overreacting.

TAURUS (April 20-May 20) — Whether it's your location, habits or your relationship with someone, putting an end to what makes you uncomfortable and trading it in for something that brings you peace and tranquility will have an impact on how you live.

By Phillip Alder

HOW SOON SHOULD YOU DRAW TRUMPS?

Rupert Murdoch said, "The world is changing very fast. Big will not beat small anymore. It will be the fast beating the slow."

Not necessarily at the bridge table, though. Sometimes, for example, drawing trumps early will lose a contract. And, of course, occasionally not drawing trumps soon enough can be fatal.

Which applies in this deal? South is in four spades, and West leads the heart king.

Note North's four-spade rebid. It promises at least four-card support and denies a first- or second-round control. South is implying that he has (at least) nine winners when he opens two clubs and rebids two spades. North hopes that his trumps will provide a 10th trick. (Yes, South's hand is a minimum. Some experts would rebid two no-trump to limit the hand. But

that would not work well here, because North would surely pass, and the contract would fail.)

Given that the trumps are 3-1, South has five losers: one spade, one heart, one diamond and two clubs. The black-suit losers are unavoidable, so declarer must ruff his low red-suit cards in the dummy.

The right play is to win the first trick, to cash exactly one top trump, then to play off the three top diamonds, discarding dummy's remaining heart. Next, South ruffs the heart seven in the dummy, returns to his hand with a trump, and ruffs his diamond five — mission accomplished.

Note that if declarer begins with both of his top trumps, he will be stranded in the dummy after the first ruff. West can get in with his club ace and draw dummy's last trump, leaving South with a fourth loser.
