**Your Birthday**  
**THURSDAY, MARCH 5, 2026**  
*By Eugenia Last*

Redirect your energy to protect your rights, assets and health. You have plenty to gain this year if you stick to your plans and timeline. Abide by the rules and regulations, but don't follow the norm when it comes to competitive situations. Think outside the box and give whatever you do a unique twist.

**PISCES (Feb. 20-March 20)** — Work hard and play hard. Get into the swing of things and do your part. Your contributions will attract attention, new friendships and opportunities you don't want to miss.

**ARIES (March 21-April 19)** — Check out suggestions, offers, grants or funding that can help you turn your dream into a reality. Simplify your plans to meet your budget. Partnerships require equality.

**TAURUS (April 20-May 20)** — Consider what you can do to make your life easier. Surround yourself with people who share your plans, and work toward a common goal. A change will require time and energy.

**GEMINI (May 21-June 20)** — Say little and do a lot. Show compassion and understanding, but don't take on someone else's problems. Offer suggestions and get back on track. Living up to your expectations and reputation will help you excel.

**CANCER (June 21-July 22)** — There is a price for everything; make sure your aspirations don't cause you to go over budget. Time, patience and planning are all called for. Personal growth looks promising.

**LEO (July 23-Aug. 22)** —

Delve into new possibilities; study, research and include what you discover into your routine and plans. A change will lead to an interesting alternative or connection.

**VIRGO (Aug. 23-Sept. 22)** — You have plenty going for you, so don't let negativity stand in the way of your desires. Speak up and act fast if you want personal, emotional and financial growth to unfold.

**LIBRA (Sept. 23-Oct. 23)** — Try not to involve yourself in circumstances that can get you in trouble. Don't exaggerate your qualifications; update your knowledge and grow your expertise.

**SCORPIO (Oct. 24-Nov. 22)** — Instigate what you want to see happen. An encouraging word, hands-on help and mixing business with pleasure will fuel your success. Focus on the important relationships in your life.

**SAGITTARIUS (Nov. 23-Dec. 21)** — Look inward and prepare to change whatever is no longer working for you. Dismiss those who continually disappoint or take advantage of you. Make choices that protect you from risk and scammers.

**CAPRICORN (Dec. 22-Jan. 19)** — Put more thought into your investments and how you earn a living and spend your cash. Honesty and transparency are essential to avoid problems. Use your energy to fine-tune your agenda and make it flow.

**AQUARIUS (Jan. 20-Feb. 19)** — Put your energy to work, and you can bring in more cash. Sell unwanted belongings, develop a product that you can turn into a lucrative business or become a minimalist.

**WEDNESDAY, MARCH 4, 2026**  
*By Phillip Alder*  
**COUNT THE CARDS IN ONE SUIT**

Vinoba Bhave, an Indian advocate for human rights who died in 1982, said, "Innumerable actions are going on through us all the time. If we started counting them, we should never come to an end."

Luckily, it is not that tough at the bridge table. But the more counting you do, the better you will play — our theme this week.

In today's deal, look at the auction and the West and North hands. South is in four spades. West leads the diamond ace. How should he continue the defense?

North, holding a low doubleton, reasonably chose to use Stayman. (If he had responded three no-trump, that contract could also have been defeated.) South correctly rebid two hearts when holding four cards in each major. North jumped to three no-trump. And South, knowing his partner had four spades, corrected back to game in that strain.

When the dummy comes down, a good defender first checks out the high-card points. South indicated 15-17, dummy has 13, and West holds seven. That leaves 3-5 for East. So East could have one winner to go with West's diamond ace-king. But where is the fourth defensive trick?

Now count the suit lengths. Dummy has three hearts, South showed four, and West has five. East must have a singleton.

This is West's best chance. At trick two — not after cashing the diamond — making a card needed as an entry — West shifts to a heart. Then, East can take the first or second round of spades, return a diamond to his partner's king, and receive a heart ruff to defeat the contract.
