Your Birthday

SATURDAY,
DECEMBER 21, 2024

By Eugenia Last

Take nothing for granted. Strategize, reorganize and define the lifestyle that suits your needs. Putting your desires, time and energy into what makes you happy will allow you to embrace what you feel passionate about and make a difference. This year, your choices will be challenging.

SAGITTARIUS (Nov. 23-Dec. 21) — Don't step into an emotional trap. Be a good listener, keep your cards close to your chest, and don't assume anything. Leave yourself open to take advantage of an opportunity.

CAPRICORN (Dec. 22-Jan. 19) — Take the path that promises the most memorable journey. Your experiences will change your perspective on earning, spending and saving money. Nurturing is the way to win affection.

AQUARIUS (Jan. 20-Feb. 19) — A little charm mixed with living up to your promises will pay off. Completing your tasks will give you more downtime with someone you love. Get out there and get things done.

PISCES (Feb. 20-March 20) — Put a budget in place before leaving home. Indecisiveness will lead to costly emotional mistakes. Overreacting and expecting too much from others will isolate you.

ARIES (March 21-April 19) — Pay attention to the sidelines. A social event or fundraiser will bring you in contact with someone who piques your interest. Connect the dots and consider the potential outcomes before

you make a move.

TAURUS (April 20-May 20) — Force your way forward and finish what you start. Time is of the essence, and wasting it on petty disagreements won't calm your nerves. Choose compromise over stubbornness.

GEMINI (May 21-June 20) — Spruce up your surroundings and update your look. A new look will attract attention and give you the confidence to impress someone you'd like to get to know better.

CANCER (June 21-July 22) — Consider what you want to do next. A look at what's trending professionally will offer insight into how to redirect your energy. Use intelligence and experience to pursue your goal.

LEO (July 23-Aug. 22) — You'll need an outlet for pent-up energy. Whether you are still playing catch up and trying to take care of business or enjoying all the festive events, doing so with gusto will satisfy your soul.

VIRGO (Aug. 23-Sept. 22) — A unique conversation with an elder will help you gain insight into possibilities you need to be aware of; however, verify information first to avoid overspending. A commitment will change how or where you live.

LIBRA (Sept. 23-Oct. 23) — Get into the spirit of the season and take advantage of any downtime. Communication and travel will encourage you to consider new possibilities or potential moves.

SCORPIO (Oct. 24-Nov. 22) — Take a step back and observe. Discipline, focusing on something or someone you feel passionate about, or closing one door while opening another is in your best interest.

GIVE HIM THE LEAD
WHEN IT HELPS YOU

Francois de La Rochefoucauld, a French writer, said, "Nothing is impossible; there are ways that lead to everything, and if we had sufficient will, we should always have sufficient means. It is often merely for an excuse that we say things are impossible."

It is a wild overbid to say that nothing is impossible. But if we stick to realistic goals, we can often succeed — especially if we have the right thought at the key moment.

How is that relevant in today's deal? South is in four hearts. West opens with the diamond king. When East encourages with the nine, West cashes the diamond queen and leads his third diamond. After ruffing, how should South proceed?

North wanted to respond two no-trump to show a balanced

hand with 13 to 15 points. But that would have been the Jacoby Forcing Raise, guaranteeing at least four-card heart support. So North improvised with a two-club response. Then, when South rebid two hearts, North jumped to game, a slight overbid but justified by the expectation of at least a nine-card fit.

The "simple" line of play is to draw trumps, cash the spade ace, and play a spade to dummy's jack. If the finesse wins, the club finesse can be tried for an overtrick. If the spade finesse loses, the club finesse is still available. But then declarer remembered that finesses never work on Fridays!

Instead, after drawing trumps ending on the board, South called for the last diamond, and when East produced the eight, declarer discarded a club.

East was endplayed, forced to lead a black suit and concede a 10th trick to South.
