ASTROGRAPH

Your Birthday

TUESDAY,
NOVEMBER 25, 2025

By Eugenia Last

Let your vision lead the way. Put a plan in place and pour your energy, discipline and ideas into something tangible. Let your excitement lead the way, and you'll gain momentum while you gain support. Trust your instincts and give yourself carte blanche to execute your desires with passion.
SAGITTARIUS (Nov. 23-Dec. 21) — Use your resources, ask questions, learn new skills and master the art of acceptance and change. An open mind and heart will lead to personal and financial victory.
CAPRICORN (Dec. 22-Jan. 19) — Observation will help you zero in on possibilities. Ask questions and consider what you need to add to your roster to turn your plans into something tangible.
AQUARIUS (Jan. 20-Feb. 19) — Turn the dial up, speak and act on your own behalf, gather information and set a reasonable budget. Once you gain momentum, you'll discover how quickly doors open.
PISCES (Feb. 20-March 20) — Put your finances, health and any legal matters first and foremost. Neglecting to pay on time or to deal with issues that can lead to complications or loss will come back to haunt you.
ARIES (March 21-April 19) — Take initiative instead of complaining. Travel or educational pursuits will help you find answers and discover the best way to reach your goal.
TAURUS (April 20-May 20) — Make changes for a good

reason, not out of anger, emotional frustration or to one-up someone. You owe it to yourself to recognize what's best for you and to take the path that offers the highest returns.
GEMINI (May 21-June 20) — Learn from your experience and make better choices. You are overdue for a change that offers the freedom to discover what's possible. You have two choices: follow or lead the way.
CANCER (June 21-July 22) — Opportunities are prevalent if you look for them. Stop waiting for things to come to you; actively seeking what makes you happy will boost your ego and encourage self-sufficiency.
LEO (July 23-Aug. 22) — Take charge and follow through on your promises. Include loved ones to ensure you maintain good relationships and receive the support necessary to reach your goals.
VIRGO (Aug. 23-Sept. 22) — Refuse to let ego or anger compromise what you hope to gain or achieve when dealing with others. Pay more attention to self-improvement and compromise, and less to getting your way.
LIBRA (Sept. 23-Oct. 23) — Put some effort toward increasing comfort and convenience. Fixing up your space to stimulate personal or professional growth will be energizing. Your happiness is in your hands, so make it happen.
SCORPIO (Oct. 24-Nov. 22) — Keep the fire burning. Keeping an open mind, engaging in conversation with like-minded people and embracing new beginnings will lead to a world of promising options.

IF THE LEAD IS BAD,
MAKE SURE TO PROFIT

Trey Parker and Matt Stone, the co-creators of "South Park," wrote this line for that show: "Sometimes what's right isn't as important as what's profitable." At the bridge table, usually what is right will be profitable. In this deal, South is in four spades. West leads the heart queen. How should declarer plan the play? Did West have a more profitable lead?
Note South's two-heart rebid. Do not miss the opportunity to show a major. North rebid two spades because he had a maximum minimum; if South was strong enough to bid a third time, North's hand would be worth game. Then, when South did continue with three diamonds, North mentioned his heart feature.
South starts with five losers: two hearts and three diamonds.

He has nine winners: six spades, two hearts and one club. There are various chances for a 10th trick: hearts might be 3-3, but that is unlikely, especially given the opening lead; or East might have the diamond ace-king. (Even if diamonds are 3-3, declarer will probably lose one heart and three diamonds.) More profitable, though, is to remember that any time you can get a ruff in the shorter trump hand, it is probably the right line of play.
Declarer should take the first trick on the board, discard a diamond on the club ace, and continue with another heart. If East could ruff, South would probably fail. Here, though, East follows. Declarer wins with his ace and leads another heart. When back in his hand, South ruffs his last heart with dummy's spade queen. Then he should silently thank West for not finding a trump lead.
