ASTROGRAPH

Your Birthday

THURSDAY,
FEBRUARY 5, 2026

By Eugenia Last

Set your sights on your goal. Put a budget and plan in place. Map out your path forward, and don't look back. Finding contentment through simplicity and peace of mind through financial awareness and living within your means will set the stage for a productive year.

AQUARIUS (Jan. 20-Feb. 19) — Take the high road and stick to your plans. Don't feel you have to keep up with others. If something doesn't feel right, know enough to take a pass. Avoid joint ventures.

PISCES (Feb. 20-March 20) — The coast is clear, and you can turn your ideas into something concrete. Keep to yourself and focus on what you must do. If you let others intervene, you'll lose valuable time.

ARIES (March 21-April 19) — Emotional mix-ups are apparent. Gather the facts, ask questions and err on the side of caution when your heart, health or finances are at risk. Stay calm; choose peace over chaos.

TAURUS (April 20-May 20) — Tidy loose ends and prepare for some downtime to rejuvenate. A positive mindset will help you separate yourself and your feelings from negative people and situations.

GEMINI (May 21-June 20) — You are gaining insight into how to build the life you desire. Change is apparent, but it's up to you to make it happen. Be open and willing to engage in activities, events and partnerships.

CANCER (June 21-July 22) — Home improvements that

lower your overhead or make your life easier or less stressful are within reach. Explore your options and refuse to let anyone talk you into something you don't need.

LEO (July 23-Aug. 22) — You've got this. Get out there and do your thing. Refuse to let anyone daunt or sidetrack you. You have the goods; now show what you can do. Partnerships, personal growth and gains are within reach.

VIRGO (Aug. 23-Sept. 22) — Discipline can lead to positive change and plenty of knowledge and experience. Converse, express your views, debate your case and revive your interest in life, love and personal gratitude and satisfaction.

LIBRA (Sept. 23-Oct. 23) — Step into the spotlight, and shift your attention to leadership, following your heart and manifesting the life you want. Own the day, master discipline and manufacture success.

SCORPIO (Oct. 24-Nov. 22) — Wait and watch. Explore how others have handled situations similar to those you face, and you'll devise a master plan you can execute in a timely and auspicious manner.

SAGITTARIUS (Nov. 23-Dec. 21) — Stifle your emotions for the time being. If you get into a squabble with someone abusive or emotionally manipulative, it will eat into time that could be put to better use.

CAPRICORN (Dec. 22-Jan. 19) — Choose to lie low, observe and reevaluate your next move. A change may be necessary, but how you get from point A to point B matters. Opportunity is close by; recognize your strengths and take what's yours.

GEMINI (May 21-June 20) — You are gaining insight into how to build the life you desire. Change is apparent, but it's up to you to make it happen. Be open and willing to engage in activities, events and partnerships.
