ASTROGRAPH

Your Birthday
SUNDAY,
SEPTEMBER 20, 2026
By Eugenia Last

Happy Birthday: Stay on course. Taking detours to accommodate others will not get you where you want to go. Refuse to let internal discord stand between you and the happiness you deserve. If you put yourself first and take responsibility for your happiness, then you will be able to help others. Recognize your capabilities instead of comparing yourself to others. Set boundaries and standards, and do what's best for you.
VIRGO (Aug. 23-Sept. 22) — Live within your means. You don't have to compete with anyone. Concentrate on what's important to you, and set a budget that will put your mind at ease and your goals within reach.
LIBRA (Sept. 23-Oct. 23) — Emotions will soar if you don't manage fallout from personal stress. Being honest with yourself and those you are close to will be essential. Face problems head-on, and deal with the outcomes maturely.
SCORPIO (Oct. 24-Nov. 22) — Refuse to let what others say and do bother you. Pay attention to how you behave, treat others and take care of yourself. Review the past, and personal growth and gains will be within reach.
SAGITTARIUS (Nov. 23-Dec. 21) — Make the effort, take care of unfinished business and free yourself of the deadweight dragging you down. Focus on what's important, improve your surroundings and implement lifestyle changes.
CAPRICORN (Dec. 22-Jan. 19) — Everything is changing quickly, and keeping up is a necessity if you want to advance. Refuse to let living in the past leave you behind. Keep the momentum flowing.
AQUARIUS (Jan. 20-Feb. 19) — It's out with the old and in with the new. Putting a household budget in place will put your mind at ease. Incorporate a workspace at home that houses your ideas and plans.
PISCES (Feb. 20-March 20) — A shift is taking place. Consider what you can do to ensure you're ready to take advantage of whatever comes your way. Having a budget, schedule and contact information will help.
ARIES (March 21-April 19) — Refuse to let your ego or emotions get in your way. Taking rational approaches to change, domestic situations and meaningful relationships will help you reach agreements.
TAURUS (April 20-May 20) — Put greater emphasis on what makes you feel content and happy with yourself and your life. Pay attention to those you love, and strive for a positive balance and dynamics in your relationships.
GEMINI (May 21-June 20) — A change to your qualifications will give you the boost you need to increase your income. Revise your resume, set up interviews and draw attention to what you do best and enjoy most.
CANCER (June 21-July 22) — If you display your attributes, you will grab attention. Don't argue a moot point with someone who doesn't share your beliefs. Someone will misdirect you. Self-reliance will be necessary.
LEO (July 23-Aug. 22) — Start your day doing something that is competitive and shows your audience your talents. Be vocal about your likes and dislikes, but be ready to defend yourself with intellect and charisma.

DO NOT LOSE SIGHT OF THE DEFENSE'S GOAL
Louis Pasteur, a French 19th-century chemist and bacteriologist who created the first vaccines for anthrax and rabies, said, "Let me tell you the secret that has led me to my goal. My strength lies solely in my tenacity."
This week we have been looking at active and passive defense. But also while the defenders are wondering whether to go after tricks or to sit back and wait for declarer to donate them, they must not lose sight of their target: the number of tricks they need to defeat the contract.
In this deal, South is in four spades. How should East defend after West leads the heart king?
West opened with a weak two-bid, showing a good six-card suit and 5-10 high-card points. East applied the Law of Total Tricks. (When your side does not have the high-card values for game, bid to the 10-trick level with 10 combined trumps.) He hoped to silence the opponents, but South had enough to overcall four spades. (Whenever the opponents pre-empt to four hearts, intervene with a bid of four spades with any reasonable excuse.)
East, when seeing two losing hearts in the dummy, should not thoughtlessly encourage with his seven. South will happily ruff West's heart continuation, draw trumps and run the diamonds.
East knows that West has six hearts and, therefore, that South has only one. And dummy's diamond suit is threatening. East should actively overtake the heart king with his ace and shift to the club queen. Here, this works perfectly, resulting in four spades one down instead of one over.
