ASTROGRAPH ☼ ✨ ✨

Your Birthday
FRIDAY, MARCH 20, 2026
By Eugenia Last

Simplify your life. Refuse to let anyone talk you into something too expensive, time-consuming or tedious. Choose events and activities that help you explore possibilities, expand your awareness and encourage you. Lead the way, and don't worry about those who don't follow.

PISCES (Feb. 20-March 20) — Keep the momentum flowing. Actions speak louder than words, and following through wholeheartedly will make a difference in the outcome. Trust your instincts, and forge ahead with courage.

ARIES (March 21-April 19) — Make a wish and follow through. How you respond to others will determine who's on your team and ready to play full throttle. Letting your ego swell will result in emotional setbacks.

TAURUS (April 20-May 20) — Opportunity will surface if you converse with forward-thinking people who hope for a better future. Stand up and be counted, and your contributions will make you an integral part of what unfolds.

GEMINI (May 21-June 20) — Observe, focus and determine where your efforts will have the best impact before voicing your opinion. Avoid excessive acts when simplicity will fetch better results.

CANCER (June 21-July 22) — Step aside and watch. It's best not to participate in aggressive action. Discipline and ingenuity will pave the way to greater rewards. Choose intelligence over brute force.

LEO (July 23-Aug. 22) —

Read between the lines, get the lowdown and make choices according to facts and figures. Pour your energy into learning and considering every angle before moving forward with your plans.

VIRGO (Aug. 23-Sept. 22) — Professions, people and places that offer diversity and enrich your soul will entice you. Take the high road and make a difference. A collective move will far exceed a solo act.

LIBRA (Sept. 23-Oct. 23) — Put domestic plans in motion. Whether you accommodate your personal needs or expand your options to raise your income or lifestyle, the outcome will favor you.

SCORPIO (Oct. 24-Nov. 22) — Communication is the best route forward. Live and learn from experience and interacting with others, and you will instinctively know how to handle the people and situations you encounter.

SAGITTARIUS (Nov. 23-Dec. 21) — Less talk and more action will lead to positive change. It's how you treat those you live with or near that will make your life more difficult or easygoing.

CAPRICORN (Dec. 22-Jan. 19) — Appreciate the little joys in life. Refuse to let negativity overrule what's worth being grateful for. Don't drown your sorrows in indulgence; instead, actively deal with what's ailing you.

AQUARIUS (Jan. 20-Feb. 19) — Push your agenda forward with enthusiasm, and forge a path for others to follow. Express your thoughts and plans with passion, and listen to those with experience before making a move.

IT IS EASY TO BE DISTRACTED

Randy K. Milholland, the creator of several webcomics, said, "Typos are very important to all written form. It gives the reader something to look for so he isn't distracted by the total lack of content in your writing."

How depressing! But last year I bought a cartoon anthology and was surprised to find two typos. Even if they snuck into the newspapers, why didn't the cartoonist correct them before including them in his book?

At the bridge table, it is easy to be distracted on defense when one knows that partner has made a mistake. One petulantly plays the card nearest one's thumb instead of asking oneself if the contract is still beatable.

In this deal, South was in four spades. West led the club queen and East won with his ace, dropping South's king. What happened next?

At trick two, East shifted to his singleton heart jack. Yes, West should have overtaken with his queen, cashed the heart ace, and given his partner a heart ruff to defeat the contract. But thinking that East would have a second heart, West signaled with his 10.

Ticked off, East now led a trump. Gratefully, South drew trumps and discarded his last three hearts on dummy's diamonds, which fell into his lap after one finesse.

East immediately berated West. But East should have paused to ask himself if there was anything he could have done. Then he would have noticed that leading a diamond at trick three would have defeated the contract, cutting declarer off from the dummy before he has drawn trumps.

Keep your eye on the cards.
