**NOTE WHEN DUMMY HAS STRONG TRUMPS**

This week we have been looking at various uses for the trump suit. Here is one more, a technique that arises rarely, but is fun to execute when it does.

South is in four spades. West leads the heart two, a known singleton. How should declarer plan the play?

North's two-heart cue-bid raise showed at least three-card spade support and a maximum initial pass. South, who expected the heart finesse to work and liked having a singleton, jumped to four spades.

If the bidding had been perfect, North-South would have reached three no-trump, which has nine top tricks: five spades, two hearts (with the aid of the finesse), one diamond and one club.

Here, declarer is faced with four losers: two hearts and two

clubs. He has only those nine top tricks just listed. Is there any hope?

Whenever declarer has a short suit and dummy's trumps are strong, he should consider a dummy reversal. He takes ruffs in his own hand and uses dummy's trumps to remove the opponents'.

South takes the first trick, plays a diamond to dummy's ace, ruffs a diamond in his hand, leads a trump to dummy and ruffs another diamond in hand. Then declarer overtakes his spade queen with dummy's king, ruffs the last diamond with his spade ace, crosses to dummy with a club to the ace, draws West's final trump and takes his second heart winner.

Declarer's 10 tricks are three spades in the dummy, the heart ace-queen, the diamond ace, the club ace and those three diamond ruffs in his hand.

**Your Birthday**  
SUNDAY, MAY 31, 2026  
By Eugenia Last

**Happy Birthday:** Participating in causes that concern you will have a positive impact. Give back to those who have helped you in the past. Take pride in what you take on. Those you encounter and what you learn will change your perception regarding life.

**GEMINI (May 21-June 20)** — A change will energize you. Opening conversations with people of interest will help you discover someone or something that has a positive impact on your life and prospects.

**CANCER (June 21-July 22)** — A secretive approach to what's happening in your life will stop outsiders from interfering. Ask more questions, show interest in what others do and take the attention off yourself and your intentions.

**LEO (July 23-Aug. 22)** — Don't sit at home alone when you have so much to offer. Set up get-togethers. Initiate talks and social events that mix projects or pastimes you enjoy. Your leadership abilities will shine through.

**VIRGO (Aug. 23-Sept. 22)** — Take a back seat and observe. Gather information and knowledge that help you understand what others expect or want from you before you engage in negotiations or commit to something prematurely.

**LIBRA (Sept. 23-Oct. 23)** — Gather information, talk to experts and be direct about what you want to do next. Refuse to let stressful situations build up. It's better to handle matters swiftly than to let them fester.

**SCORPIO (Oct. 24-Nov. 22)** — Move about. Visual effects will have an impact on your perspective and encourage you to do what's right and best

for yourself. Anger is a waste of time. Put your energy where it counts.

**SAGITTARIUS (Nov. 23-Dec. 21)** — A change will be invigorating if you don't take on more than you can handle physically or financially. Whether you alter your lifestyle, fix up your surroundings or start a new hobby, it will pump you up and make you feel good about what you accomplish.

**CAPRICORN (Dec. 22-Jan. 19)** — Listen and observe. Your loved ones' grievances require your attention if you want to avoid being blamed for an oversight on your part. Set a budget for home improvements that will make your life more convenient.

**AQUARIUS (Jan. 20-Feb. 19)** — Don't waste time and energy on revenge when looking for and taking advantage of opportunities needs your attention. Finding a new way to use your skills will promote greater cash flow.

**PISCES (Feb. 20-March 20)** — Take time out to do something that makes you happy. Refuse to let the decisions and changes others make disrupt your plans. Distance yourself from anyone who puts you down or criticizes how you do things.

**ARIES (March 21-April 19)** — Say no to temptation and to those trying to push you in a direction you don't care to go. Your best interests will come from investing more time and money in yourself, your future and your long-term goals.

**TAURUS (April 20-May 20)** — Channel your energy into looking and feeling your best. Designate more time to family, friends and pampering yourself. Declutter your space to make room for new hobbies or entertaining loved ones.
