PUBLIC NOTICE

Pursuant to the PENNSYLVANIA CLEAN STREAMS LAW, the PENNSYLVANIA DEPARTMENT OF ENVIRONMENTAL PROTECTION Rules and Regulations, the SURFACE MINING CONSERVATION and RECLAMATION ACT, and the BITUMINOUS MINE SUBSIDENCE and LAND CONSERVATION ACT as amended, notice is hereby given that the Keystone Land Resources, Inc., 46226 National Road, St. Clairsville, Ohio 43950 has made application to the Pennsylvania Department of Environmental Protection to renew its existing underground coal mine permit for the David/Dianne Mine, CMAP #03841302 and associated NPDES # PA0214132 issued on March 31, 1997. The permit expired on March 30, 2022.

This public notice is being re-published to include additional information related to the NPDES permit. The original Public Notice ran on May 3, May 10, May 17, and May 24, 2025.

The operation is located in Kiskiminetas Township, Armstrong County and is known as the David/Dianne Mine. The permit contains 12,391.7 underground acres and 139.7 surface acre permit area. It is situated from Spring Church, PA east along SR-0056 approximately 2.3 miles, the permit area also extends approximately 2.5 miles north of SR-0056 and approximately 3.0 miles south of SR-0056. The Avonmore, PA and White-side PA USGS 7.5-minute topographic map contains the area described.

The David/Dianne Mine is permanently closed and the only activity onsite is the perpetual treatment of the mine pool.

The associated NPDES permit # PA0214132 currently under this renewal covers four (4) mining permits:

- **David/Dianne UG Mine, CMAP # 03841302** – expired 3/30/2022 (renewal pending)
- **Refuse Area #5, CRDA #03743701** – Permit was originally issued on 2/11/1986 and will expire on 2/10/2026 (reclamation only renewal pending). The site is a 158.5 acre reclaimed coarse refuse disposal area that contains acid mine drainage seeps. These seeps are collected and injected into the David/Dianne Mine pool where they are pumped and treated prior to discharge.
- **Refuse Area #6, CRDA 03950701** – Permit was originally issued on 6/5/1996 and will expire on 6/4/2026. The reclamation only permit is a 58.0 acre reclaimed coarse refuse disposal area that contains acid mine drainage seeps. These seeps are collected and injected into the David/Dianne Mine pool where they are pumped and treated prior to discharge.
- **Kunkle Mine, SMP# 03900112** – Permit was originally issued on 12/18/1992 and will expire on 12/17/2027. The reclamation only permit is an 81.2 acre reclaimed Sub F surface mine that contains acid mine drainage seeps. These seeps are collected and injected into the David/Dianne Mine pool where they are pumped and treated prior to discharge.

Surface runoff from Refuse Area #5, Refuse Area #6, and the Kunkle Mine are channeled into a sediment pond and pumped underground into the David/Dianne Mine. This water is then pumped to the surface and treated in a series of ponds before discharging from Outfall 002 into UNT to Long Run (Trib 43120). Any surface flow from Refuse Area #5, Refuse Area #6, and the Kunkle Mine that is not injected underground will discharge from Outfall 001 into a UNT to Long Run (Trib 43117).

A copy of the application is available for public review, and copying for a fee, by appointment at the PADEP, California District Mining Office, 25 Technology Drive, Coal Center, PA 15423. **CAPRICORN (Dec. 22-Jan. 19)** — Concentrate on travel or reuniting with someone from your past. Whoever or whatever you encounter will help you realize what's missing in your life and how to reinstate some of the pastimes that bring you joy.

**AQUARIUS (Jan. 20-Feb. 19)** — Listen to your body, and research how you can reach your optimum health. Spend more time with those who motivate you to be your best, and say no to those who promote indulgent behavior.

**PISCES (Feb. 20-March 20)** — Pay attention to your health and well-being, and set personal goals that make you feel good about who you are and what you do. Surround yourself with people you love, and live the lifestyle you desire.

**ARIES (March 21-April 19)** — Participate in events and social activities, and expand your interests and circle of friends. You can gain insight into new possibilities. Revamp your resume to suit upcoming prospects.

**TAURUS (April 20-May 20)** — Connect the dots and adjust your current situation to abandon what isn't working for you anymore. It's time to take control and to promote longevity and peace of mind.

**GEMINI (May 21-June 20)** — Research will spark your imagination. Learn something new that you can incorporate into your expertise to enhance your skills and pursuit of happiness and increase your wealth.

**CANCER (June 21-July 22)** — Put drama on hold. Personal and physical improvements are within reach, along with love and romance, growth and self-improvement. Socializing and networking will lead to prosperity and happiness.

**LEO (July 23-Aug. 22)** — Take better care of yourself. Say no to indulgent behavior and yes to expanding your mind, skills and friendships. Leave nothing to chance, and you will gain momentum.

**VIRGO (Aug. 23-Sept. 22)** — Say less and do more. Initiate change and strive to stay ahead in a fast-paced environment. It's what you do and how inventive you are when marketing yourself and your talents that will spark interest.

**LIBRA (Sept. 23-Oct. 23)** — Put your energy where it brings the highest return or happiness. Heart-to-heart conversations will clear any uncertainty you are experiencing with someone and offer insight into how best to move forward.

TRUST YOUR PARTNER  
TO STEER YOU RIGHT

Joyce Cary, an English novelist who died in 1957, said, "The will is never free — it is always attached to an object, a purpose. It is simply the engine in the car — it can't steer."

At the bridge table, surprisingly often one defender can steer his partner in the right direction. The problem is that some defenders prefer to backseat drive, ignoring their partners' signals and heading down their own side roads -- and letting defeatable contracts make.

In this example deal, how should the defenders play to beat four hearts?

After East opened one diamond, that South hand was strong enough for a takeout double followed by a heart bid. But South reasonably decided that his short spades made an initial double dangerous. (Yes, it was unlikely to backfire, but one heart would be the majority expert choice these days.) Then, when North raised hearts, South had an easy jump to game.

First, West must lead the diamond four, his partner's bid suit. East wins with his queen and cashes the diamond ace. West discards the club two, denying interest in that suit. East takes the diamond king, West pitching the spade three to say that he does not have the spade ace.

What should East do now?

If West does not want a black-suit shift, there is only one play left — lead another diamond. And as you can see, this is the only way to defeat the contract because it promotes West's heart queen as a trick.

Trust your partner's signals — if he is trustworthy!
