Maintaining a healthy attitude, engaging in physical activity or pursuing something you feel passionate about will lead to personal contentment. Invest in quality of life, health and emotional well-being. Love, money and opportunity are featured.
AQUARIUS (Jan. 20-Feb. 19) — Focus on finances, investments and your overall well-being. Say no to temptation and excessive behavior. Sticking to a budget and a plan will keep you on track and boost your confidence.
PISCES (Feb. 20-March 20) — Keep your thoughts to yourself. Concentrate on expanding your interests and developing a skill that can help you raise your income. Self-improvement projects will require discipline and forethought.
ARIES (March 21-April 19) — Set your sights on what has the most meaning and purpose for you. Do your part, and you can feel the rewards and gratitude that come with doing what's right.
TAURUS (April 20-May 20) — Don't let anyone burst your bubble or make you feel insecure or inferior. Set standards and boundaries, and trust and believe in yourself and your ability to make a difference.
GEMINI (May 21-June 20) — An open mind and Gemini charm will carry you to victory. Recognition for what you do and complete will not go unnoticed. Be humble and grate-

ful for what you have, and you'll surpass your expectations.
CANCER (June 21-July 22) — Choose what's economically feasible and avoid making a costly mistake. Focus on being innovative and industrious, and you'll enrich your life rather than deplete your resources.
LEO (July 23-Aug. 22) — Change can be difficult when forced on you. Take a step back and consider every alternative. Secrecy is your passage forward, and the element of surprise is your ticket to success.
VIRGO (Aug. 23-Sept. 22) — Choose the path that brings financial security. Consider every angle before you implement a lifestyle or professional change. A disciplined attitude regarding health, investments and contracts is necessary.
LIBRA (Sept. 23-Oct. 23) — Socializing will be the pick-me-up that moves you in a fruitful direction. The opportunity to connect with someone at a higher level will help you carve a path to peace, love and gratitude.
SCORPIO (Oct. 24-Nov. 22) — Stop, look, listen and rethink. You'll require more time to look at your options and consider what's possible and what isn't. Change begins with you.
SAGITTARIUS (Nov. 23-Dec. 21) — Make a hefty push, complete projects and feel free to have a great time. Put some thought into your plans, and you can create a schedule that is fun and profitable.
CAPRICORN (Dec. 22-Jan. 19) — A clear conscience comes from being honest with yourself and others. Don't take a chance; protect your heart and your money from manipulators trying to put you in a vulnerable position.

By Phillip Alder
FROM WHERE WILL YOU FIND THREE?
Here is my final deal that was on the International Bridge Press Association short list for the 2012 awards. It features an excellent defense by Shivam Shah (East) and Alex Roberts (West) for England against Poland at the world youth championships in Taicang, China.
How did the defense go against five diamonds?
North opened with a Polish Club. It is usually bid with a balanced hand and 12-14 points, but it might be natural with five or more clubs and 12-17 points, or it could be any 18-plus pointer. After Shah's three-heart preemptive overcall, South made a negative double. His four-diamond continuation was clearly forcing.
At the other table, the English North-South pair reached five diamonds by North, which was unbeatable. After East led a high heart, North could have taken 12 tricks, but decided on safety first.
Now back to Roberts' lead problem. Many a West would be thinking it was lucky that the opponents stopped short of slam. His hand is dreadful and partner also announced weakness.
Roberts, though, wondered if there might be a way to defeat the contract. Maybe partner had a club void. So, West's opening lead was the club three.
After Shah ruffed, the spotlight was on him. How could he get his partner on lead for a second club ruff? There seemed to be only two chances: the diamond ace or the heart queen. The first would still be available in a moment, but not the second. East shifted to the heart two. West won with his queen and gave his partner another ruff for down one. Terrific!
