ASTROGRAPH

Your Birthday

THURSDAY,

JANUARY 22, 2026

By Eugenia Last

Take hold of your life. Consider what you enjoy doing most and how you can earn a living pursuing what makes you happy. It's up to you to make the right choices and to let your attributes carry you forward. A passionate mindset will encourage you to change plans or pursue a direction tailored to your needs. A new lease on life, love and happiness is within reach.

AQUARIUS (Jan. 20-Feb. 19)

— Keep the momentum flowing if you want things to go your way. Turn your attention to how you handle your money and invest your time and skills. Don't be reluctant to apply positive pressure.

PISCES (Feb. 20-March 20)

— Keep your intentions and motivations to yourself. Go out, socialize and gather information that can help you put your plans in motion. A kind and generous attitude will make others feel comfortable.

ARIES (March 21-April 19)

— Place more emphasis on how you handle domestic issues, personal documents and late fees. Running an efficient household will help you achieve peace of mind and allow you to spend more time on your hobbies.

TAURUS (April 20-May 20)

— Leave nothing to chance. Catch up, finish what you start and clear the way to greater freedom. It's difficult to chase your dreams when unfinished business impedes your liberty to do so. Reach out for help.

GEMINI (May 21-June 20)

— Overthinking and considering too many choices will cause confusion. Refuse to let anyone use emotional blackmail to distract you from your dreams. Make new discoveries and put the things you learn to use.

CANCER (June 21-July 22)

— Make changes when no one's looking. The less attention you draw, the easier it will be to achieve your objective. Sign contracts and make commitments that put your mind at ease and secure your future.

LEO (July 23-Aug. 22)

— Hold your ground, negotiate on your own behalf and use your skills, experience and knowledge to push your way forward. Guard your resources and keep people guessing. Step up and lead the way.

VIRGO (Aug. 23-Sept. 22)

— A serious attitude and honesty can help turn a negative in your life into a positive. It's best to take your time, consider all possibilities and choose whatever supports your best interests.

LIBRA (Sept. 23-Oct. 23)

— Progress is attainable by taking moderate steps and simplifying your agenda. Consider home improvements that help reduce your overhead or contribute to your income. Implement a lifestyle change.

SCORPIO (Oct. 24-Nov. 22)

— Go over details and be on the lookout for preventable mistakes and avoidable costs. Be open to suggestions, investigate possibilities and trust your instincts and ability to deliver what you promise.

SAGITTARIUS (Nov. 23-Dec. 21)

— Take care of finances, deal with debt head-on and look for sound investments. Refuse to let anyone take advantage of your kindness or desire to please. Someone will exaggerate or mislead you; proceed with caution.

CAPRICORN (Dec. 22-Jan. 19)

— Chase what makes you feel alive. Set a budget and live within your means. Speak on your behalf, and you'll have a more substantial impact. If you do the work yourself, you'll make a good impression.

BIDDING A SLAM

WITHOUT BLACKWOOD

There is an old saying that real bridge players don't need Blackwood. Of course, before bidding a slam, Blackwood of one ilk or another is often used. But on some deals it will not help, and the partnership needs to employ control-bidding (cue-bidding).

Look at this deal. South opens two clubs; North responds two diamonds, not being quite strong enough for a two-heart positive with that relatively weak suit; South rebids two spades; and North raises to three spades, promising a smattering of points. (Some players would make a four-club splinter bid, showing the singleton, but I like four-card spade support for that action.)

SCORPIO (Oct. 24-Nov. 22) — Go over details and be on the lookout for preventable mistakes and avoidable costs. Be open to suggestions, investigate possibilities and trust your instincts and ability to deliver what you promise.

SAGITTARIUS (Nov. 23-Dec. 21) — Take care of finances, deal with debt head-on and look for sound investments. Refuse to let anyone take advantage of your kindness or desire to please. Someone will exaggerate or mislead you; proceed with caution.

CAPRICORN (Dec. 22-Jan. 19) — Chase what makes you feel alive. Set a budget and live within your means. Speak on your behalf, and you'll have a more substantial impact. If you do the work yourself, you'll make a good impression.

GEMINI (May 21-June 20) — Overthinking and considering too many choices will cause confusion. Refuse to let anyone use emotional blackmail to distract you from your dreams. Make new discoveries and put the things you learn to use.

TAURUS (April 20-May 20) — Leave nothing to chance. Catch up, finish what you start and clear the way to greater freedom. It's difficult to chase your dreams when unfinished business impedes your liberty to do so. Reach out for help.
