ASTROGRAPH

**Your
Birthday**
FRIDAY, MARCH 13, 2026

By Eugenia Last

Choose your allies with cau-
tion. Not everyone you deal
with this year will show their
true colors at the outset. Look
out for emotional manipulation
and exaggeration. Do your part,
make a difference and align
yourself with a cause or issue
you feel passionate about.

**PISCES (Feb. 20-March
20)** — Put common sense first
when someone makes costly de-
mands. Too much of anything
will set you back. Prioritize your
needs and focus on your health
and emotional well-being.

ARIES (March 21-April 19)
— Take your time. Making a
kind gesture, volunteering your
time for a worthy cause or fo-
cusing more on what you can
do for others, not what they can
do for you, will set the tone for
what's to follow.

**TAURUS (April 20-May
20)** — Communication is your
gateway to better understanding
what others expect of you and
how to deliver. Your input will
help you gain confidence and
recognition.

GEMINI (May 21-June 20)
— Gather information. Prepara-
tion and knowing the facts will
save you from scams and people
trying to take advantage of you.
Upgrade your skills and experi-
ence to meet today's demands.

CANCER (June 21-July 22)
— It's time to invest in yourself
and your future. Consider what
you can add to your resume that
will make you more marketable,
unique or captivating, and pre-
pare to put yourself out there.

LEO (July 23-Aug. 22) —

Socialize, communicate and
charm your way into the hearts
of those you encounter. Put
your best foot forward, and ded-
icate time, effort and ingenuity
toward being the best version of
yourself.

VIRGO (Aug. 23-Sept. 22)
— Look past negativity and
roadblocks, and you'll gain in-
sight into what's possible. Intel-
ligence, along with desire and a
strong push forward, will make
onlookers take notice.

LIBRA (Sept. 23-Oct. 23)
— A change of perspective will
help you adjust your goals to
suit your situation. Put more
energy into your relationships.
Getting along will make a differ-
ence when it comes to recruit-
ing hands-on help.

SCORPIO (Oct. 24-Nov. 22)
— Speak up. Share your inten-
tions and talk to experts. Show
enthusiasm and stretch yourself
to the limit to reach your goal.
You can't buy love or respect.

**SAGITTARIUS (Nov. 23-
Dec. 21)** — Look for creative
lifestyle alternatives. Use dis-
cipline to make your domestic
life more comfortable and
convenient. Focus on personal
growth, love and happiness.

**CAPRICORN (Dec. 22-Jan.
19)** — Make well-thought-out
adjustments that advance your
agenda. Opportunity is appar-
ent in love, partnerships and
financial gains. Don't take risks
that can lead to illness or injury.

AQUARIUS (Jan. 20-Feb. 19)
— Spend more time dealing
with money management, and
you'll discover ways to lower
your overhead. Incorporate a
healthy mindset by implement-
ing a fit-for-life approach into
your daily routine.

**THURSDAY,
MARCH 12, 2026**
By Phillip Alder
**TRY TO PAINT
A FALSE PICTURE**

Fulke Greville, an English poet
who died in 1628, said, "The cri-
terion of true beauty is that it in-
creases on examination; if false,
that it lessens."

At the bridge table, the beauty
of a deal can increase upon care-
ful analysis. Sometimes, though,
the key play is a falsecard.

What should happen in this
deal after West leads the heart
ace against three no-trump?

Before getting to the answer,
some pairs use interesting honor
leads against no-trump. They
choose one card, either the ace
or king (I prefer the king), when
they have a very strong suit. It
asks partner either to unblock
an honor or to give count. With
that agreement, West would
lead his "big" card here, happy
if East could throw the queen
onto the table. (Assuming the
king is "big," then an ace-lead

is from a weaker ace-king hold-
ing, asking partner to signal at-
titude. And a queen-lead is from
either a weak king-queen or a
good queen-jack.) If that appeals
to you, discuss it carefully with
your partners.

Using standard leads and sig-
nals, East should play his heart
three at trick one, discourag-
ing. Then South must drop his
seven. He has to try to persuade
West that East started with
Q-3-2 of hearts and was doing
the best he could by playing
the three. Agreed, it should not
work. West's ace-lead should
not be from a holding weaker
than ace-king-jack-fourth. And
if that is true, East can afford to
play his queen from Q-3-2.

West should shift at trick two,
and whichever suit he chooses,
East will get in with his club ace
and can lead his second heart
through South's queen to defeat
the contract by two tricks.
