Look deep within for answers. Life is about balance, equality, give-and-take, and being happy with yourself and your surroundings. Be open and inquisitive to ensure you don't misinterpret situations or mislead others. Focus on abundance,

dedication and loyalty. SAGITTARIUS (Nov. 23-Dec. 21) - Direct your energy wisely. How you use your strengths and skills will be a testament to who you are and what you can do. Focus, dedication and timing will play a role

in what you achieve. CAPRICORN (Dec. 22-Jan. 19) — Put yourself in the driver's seat and head in a direction that satisfies your needs. Network, socialize and share what inspires you with forward-

thinking people. AQUARIUS (Jan. 20-Feb. 19) — A change will spark your imagination and point you in a creative direction. Put thoughts and plans on paper, and consider how to take advantage of any subsidies or offers that could apply to you.

PISCES (Feb. 20-March 20) - A commitment and personal lifestyle adjustments require attention. You can count on your heart and emotions to kick in and reflect what's best for you. Embrace change, and opportunity will unfold.

ARIES (March 21-April 19) You can learn by doing something repeatedly. Set your sights on what you enjoy doing and focus on how you can utilize your skills to bring in extra cash.

TAURUS (April 20-May 20) Don't hold back; work qui-

etly behind the scenes until you complete your mission. Push to tie up loose ends so you can start to enjoy the festive season. Keep tabs on money spent and

GEMINI (May 21-June 20)

— A change of plans will be costly if you don't act fast. Discipline will be necessary when shopping for unnecessary items or gifts. Set a budget that offers peace of mind, and avoid the

stress of debt. CANCER (June 21-July **22**) — Keep your emotions out of any financial decisions you make. You can't buy love, but you can use kindness and hands-on help to draw others into your circle. A confident, polished presentation will open

**LEO (July 23-Aug. 22)** — Letting your emotions take charge will lead to trouble. Focus on how you look, feel and present yourself to your associates. Choose health over indulgent temptations and peace over

chaos. VIRGO (Aug. 23-Sept. 22) - A change of scenery will adjust your perspective. Don't let what others do alarm you or disrupt your plans. Choose to head in a direction that offers an agenda to follow, and you will

achieve what you aspire to do. LIBRA (Sept. 23-Oct. 23) — Talks will give you the lowdown regarding any change or gamble you consider. Be aware of timelines and year-end deadlines. Speak up, follow through and enjoy the ride.

SCORPIO (Oct. 24-Nov. 22) — Go easy when personal situations that arise. Be ready to back away from anyone trying to get something for nothing from you. When in doubt, say no.

**BRIDGE BOOKS MAKE GREAT GIFTS** 

As we approach the holiday season, let's look at some books that might appeal to the bridge players on your gift list.

Some whodunits with a bridge theme have been written. The best so far, in my opinion, is "Death in Duplicate" by Carole Coplea (Master Point Press).

Two deaths occur during a

duplicate at Kensington College in the Adirondacks, and the book covers the investigation. Today's diagram shows the only bridge deal in the book. If this layout occurred dur-

ing, say, an 11-table duplicate, there would no doubt be 11 different auctions. Here, in particular, East's double was bizarre after hearing her partner raise diamonds. Note that East would have made five diamonds if she

had guessed spades correctly. After West led a low heart, South, a student at the college, called for dummy's 10, and East ruffed. She then cashed the spade ace: six, three, five. East, not guessing that the three was

West's top spade spot, shifted to

a diamond.

Declarer won with his ace and ran all of his trumps, bringing everyone down to three cards. North had the heart acequeen-jack and South the spade queen-nine and heart three. But what could West keep? He was squeezed. Seeing the need to retain three hearts, West was forced to discard the spade king, hoping his partner had the queen. South now produced that card and claimed his con-

tract for plus 550 and a top. Master Point Press books are available from the publisher in printed and e-book editions.
