ASTROGRAPH

Your Birthday

THURSDAY, JULY 16, 2026

By Eugenia Last

Happy Birthday: Set goals and follow through. Draw on experience, trusted allies and unusual opportunities to help fulfill your aspirations. Refuse to let negativity and emotions lead to insecurities and reluctance to participate in what life has to offer. Press forward even when you feel disheartened, and you'll find the light that leads to personal happiness.

CANCER (June 21-July 22) — Speak up, and formulate your plan. Do the legwork and proceed to the finish line. Complete whatever you've left undone so you can put your time and effort into something new and exciting you want to pursue.

LEO (July 23-Aug. 22) — Set boundaries and a budget if temptation comes your way. You can bypass regret and have fun if you maintain levelheadedness. Implement restraint and abide by the rules.

VIRGO (Aug. 23-Sept. 22) — Helping others may make you feel good, but be careful not to let anyone take advantage of your generosity. Offer conversation, suggestions and kindness, but don't pay for someone else's mistakes.

LIBRA (Sept. 23-Oct. 23) — Join forces with those who share your agenda and can also contribute suggestions that encourage greater success. Be open to change, learning and investing in a lifestyle that suits your needs.

SCORPIO (Oct. 24-Nov. 22) — Verify information before passing it along. Someone will offer an inflated assessment of a situation that can cost you or cause regret. Be precise and be bold.

SAGITTARIUS (Nov. 23-Dec. 21) — Take a critical look at your surroundings and consider what you can do to add to your comfort and how you can utilize your space to make your life more efficient.

CAPRICORN (Dec. 22-Jan. 19) — Stop worrying about what to do next, and head in the direction that offers personal growth, self-improvement or investment opportunities. Don't rely on others to give you the lowdown.

AQUARIUS (Jan. 20-Feb. 19) — Pay attention to your personal finances and investments. How you handle your cash will determine the lifestyle you can afford and sustain. Job opportunities show potential.

PISCES (Feb. 20-March 20) — Networking, socializing and mixing business with pleasure will pay off if you are a good listener, but when it comes to sharing personal information, keep your secrets to yourself.

ARIES (March 21-April 19) — Weigh the pros and cons and do what must be done to reach your destination of choice. It's up to you to control the outcome using a unique strategy that keeps anyone trying to outmaneuver you at a disadvantage.

TAURUS (April 20-May 20) — Distance yourself from trouble. Look inward, and do what puts your mind at ease. You can't control what others do or say, but you can control how you react and protect yourself from any fallout that comes your way.

GEMINI (May 21-June 20) — Time is on your side, and exploring possibilities will give you a sense of what you can afford as well as what you do and don't need in your life. It's out with the old and in with the new.

By Phillip Alder

A SECOND TRIP
TO CARD PLACING

James Carville, a political commentator, said, "The best time to plant an oak tree was 25 years ago. The second best time is today."

In yesterday's deal, East used the bidding and early play to place the missing high cards and to work out the best defense against four hearts.

Here is a second deal along the same lines. South is in four hearts. West leads the spade queen. South wins with his ace and plays a trump to dummy's queen. What should East do?

South rebid three no-trump because North might have raised hearts with only three-card support if he had a minimum opening bid with, for example, 1-3-5-4 distribution. Here, though, North corrected to the heart game because he had two unstoppable suits and four strong hearts.

East should wonder which four tricks his side might win. Since West's opening lead marks South with the spade ace and king, there are no spade winners available. East has one heart trick. There are no diamond winners, because even if South is missing the king, the finesse is working. So the defenders need three club tricks, or two clubs and a club ruff.

This should make East's path clear. He must win with his heart ace and shift to the club five.

Now the spotlight falls on South. If he rises with his club king, he will make the contract (with an overtrick if he draws trumps, cashes his spade and diamond winners, and endplays West with his club queen). But if South finesses his jack, West wins with his queen, returns the club two and receives a club ruff for down one.
