**Your Birthday**  
**TUESDAY, MARCH 24, 2026**  
*By Eugenia Last*

Spread some cheer this year. Communication is your way forward. Be honest to protect your reputation and keep your life simple. Stay on track, focus on what's important and take on only what's feasible. Avoid living beyond your means. Lower debt, eliminate waste and simplify your life.

**ARIES (March 21-April 19)** — Choose compassion when dealing with domestic issues. Reach out to supportive people and sign up for volunteer work. What you learn from those you encounter will be advantageous.

**TAURUS (April 20-May 20)** — Push your agenda forward by seeking out those who can help you make your dreams come true. Emotions and money will knock you off balance. A risk will lead to regret.

**GEMINI (May 21-June 20)** — Think before you speak. Understand the gravity of your words and how they can influence the lives of others. Focus more on gathering information and searching for beneficial solutions.

**CANCER (June 21-July 22)** — Offer helpful ideas. A clear mind and resourceful suggestions will raise your profile and give you a chance to make a difference.

**LEO (July 23-Aug. 22)** — Use your strengths strategically. You shine brightest when you make others smile. A kind word, joke or gesture will put others at ease, making it easier to access the information you desire.

**VIRGO (Aug. 23-Sept. 22)** — Speak up for those who can't speak for themselves. Your insight and thoughtfulness will help you bring about positive change. Hit the reset button, and live life to the fullest.

**LIBRA (Sept. 23-Oct. 23)** — Get in the zone, and approach life pragmatically. You'll have choices that require thought and research to ensure you maintain balance. Avoid excess in any way, shape or form.

**SCORPIO (Oct. 24-Nov. 22)** — A quick response will lead to regret. Give yourself a chance to digest what's being asked of you and what you are willing to do. Opportunity will result from doing what's right and best for you.

**SAGITTARIUS (Nov. 23-Dec. 21)** — It's what you do that counts. Keep your thoughts to yourself, be observant and focus on what you can do to ensure you meet your obligations. Choose comfort and convenience.

**CAPRICORN (Dec. 22-Jan. 19)** — Think before you act. You have more wiggle room than you realize, and premature moves will lead to regret. Avoid promising the impossible or starting something you cannot finish.

**AQUARIUS (Jan. 20-Feb. 19)** — Fix up your surroundings. Do your research before making a physical change. You are likely to take on more than you can handle and fall short of your expectations if you don't budget wisely.

**PISCES (Feb. 20-March 20)** — Emotional talks require common sense and an outlet to blow off steam. Listen carefully, but don't respond. You'll tend to overreact, setting off alarms that can damage a relationship.

*By Phillip Alder*  
**SOME PLAYS ARE TOUGH TO MAKE**

Emile-Auguste Chartier, a French philosopher and journalist who died in 1951, said, "We prove what we want to prove, and the real difficulty is to know what we want to prove."

At the bridge table, we want to prove whether or not a contract is makable. This is usually easier when we can see all 52 cards, or have been warned there is a trap somewhere. When we are just playing at the table, it can be easy to make a mistake almost on autopilot.

In today's deal, South is in three no-trump. West leads his fourth-highest heart. East wins with his king and returns the heart nine. Who should prevail, declarer or the defenders?

After a one-no-trump opening, some pairs use a jump-response of three of a major to show game values with a singleton (or void) in that suit, three cards in the other major and 5-4 (or 5-5) in the minors. Partner can usually judge the right contract. However, without that agreement, North should just jump to three no-trump.

Declarer has seven top tricks: two spades, four diamonds and one club. He can get at least one heart trick and three more club winners. How might he go down?

Only if the club finesse is losing and the defenders take four hearts and one club.

The key play is almost counterintuitive. At trick two, South must play his second low heart, which cuts the communication between the defenders. If instead he covers with the queen or jack, West can play low. Then, when East gets in with his club king, a third heart through declarer defeats the contract.

Watch out for this difficult duck.
