**Your Birthday**  
**THURSDAY, MAY 28, 2026**  
*By Eugenia Last*

**HAPPY BIRTHDAY:** It's a great time to learn something new or to develop a hobby that has the potential to bring in additional income, lead to a better social life or offer you the self-satisfaction and gratitude that comes with following your heart and doing what brings you joy.

**GEMINI (May 21-June 20)** — Participate in a learning experience or a day trip that leads to something or someone you find exciting. Approach people who can offer sage advice or a helping hand to get you to a place you want to be.

**CANCER (June 21-July 22)** — Stop worrying, and start exploring the opportunities that are waiting to be discovered. A positive attitude will help you see situations from a different angle.

**LEO (July 23-Aug. 22)** — Reject anger; keeping busy will lead to self-satisfaction. Tie up loose ends, set boundaries and dance to your own beat. Life is too short to waste on no-win situations.

**VIRGO (Aug. 23-Sept. 22)** — Less talk, more action, greater stabilization. Let your intuition lead the way. Your actions should reflect what's right and best for you and those you love. Research, pay attention to detail and execute your plans flawlessly.

**LIBRA (Sept. 23-Oct. 23)** — Learn through experience. Sign up for something that interests you or that will help you make a better decision. Information is golden when navigating your path forward. Avoid situations that put you at risk.

**SCORPIO (Oct. 24-Nov. 22)**

— Take the initiative to put your plans in motion. Taking physical action will be tough but rewarding. Kindness trumps aggressive behavior. Expand your awareness, knowledge and plans to meet your needs.

**SAGITTARIUS (Nov. 23-Dec. 21)** — Rearrange your surroundings. Realign your space to meet demands and to ensure the flow is designed to make your life easier. Change will offer the boost you need to trust and believe in your abilities.

**CAPRICORN (Dec. 22-Jan. 19)** — Now is not the time to take a break, you're on the right track. Discipline, ingenuity, networking, and using your knowledge, expertise and charm will carry you forward with grace and glory.

**AQUARIUS (Jan. 20-Feb. 19)** — Mixed emotions will lead you down a slippery slope. Don't believe everything you hear. Do your research, fight your own battles and choose to be honest, not angry, when dealing with unsavory situations.

**PISCES (Feb. 20-March 20)** — What you do counts. A change someone makes will not favor your interests. Don't feel bad; head in a different direction or try something that sparks your imagination.

**ARIES (March 21-April 19)** — Follow your instincts, and use discipline to make your dreams come true. Walk away from those asking for too much or trying to tempt you to participate in expensive entertainment.

**TAURUS (April 20-May 20)** — You can jump for joy or let stubbornness set in and cause you grief. You have more going for you than you think, and allowing anyone to cost you peace of mind is on you.

*By Phillip Alder*  
**ENTER THE MIND**  
**OF YOUR OPPONENT**

Albert Bandura, who was ranked in 2002 as the fourth most frequently quoted psychologist behind B.F. Skinner, Sigmund Freud and Jean Piaget, said, "Coping with the demands of everyday life would be exceedingly trying if one could arrive at solutions to problems only by actually performing possible options and suffering the consequences."

Unfortunately, though, at the bridge table, if you chose a line that fails, you are not given a second chance. You must arrive at a solution to your problem before playing on.

In this deal, North launches South into six spades. West leads a fourth-highest diamond four. East wins with his king and shifts to the heart jack. How should South continue?

If you and your partner would

have bid to six clubs (or the lucky six hearts), well done. If you would have stopped in game in spades, you perhaps did well. But let's suppose all those points caused North to have a surge of pointed-black-suit adrenaline. (Yes, this would be a good deal for Roman Key Card Blackwood, because North would learn that an ace and the spade queen were missing.)

The normal percentage play for no spade losers is a second-round finesse. However, if East has queen-third of spades, why didn't he continue with the diamond ace at trick two, forcing dummy to ruff? He knows from his partner's opening lead that you have another diamond in your hand. Don't fall for it. Play off the spade king and spade ace. If West's queen does not drop, you couldn't have made the contract.
