ASTROGRAPH

**Your Birthday
THURSDAY, MARCH 12, 2026**

By Eugenia Last

Put your energy into whatever offers the highest return. Look at the big picture and the results you want to achieve, and make your way forward with specific goals in mind and plans in place. There is no room for error or risk. Be true to yourself and your dreams.

PISCES (Feb. 20-March 20) — Sign up for a seminar, event or activity that will offer a different approach or outcome. Don't be shy; start a conversation that embraces truth, logic and communication.

ARIES (March 21-April 19) — Lay the foundation for your pursuits, but don't reveal your intentions until you have everything in place. Don't share your personal matters with outsiders or business associates.

TAURUS (April 20-May 20) — Listen and learn. The information you gather will far exceed what you gain from doing all the talking. A kind gesture will result in rewards and recommendations.

GEMINI (May 21-June 20) — Put goodness back into your life through your actions. Participate in events that address issues that concern you. A function will lead to an unexpected encounter.

CANCER (June 21-July 22) — Protect yourself against injury or illness. An emotional situation will erupt if you put yourself in a vulnerable position. There is more power in your words than in your actions.

LEO (July 23-Aug. 22) — Discipline will help you make

your way to brilliance. Don't let someone else's jealousy or ego ruin your plans. Participating in events that motivate you will spark love.

VIRGO (Aug. 23-Sept. 22) — Plant your feet firmly on the ground and do your thing to the best of your ability. Speak up, embrace changes and broaden your vision, and you can exceed your own expectations.

LIBRA (Sept. 23-Oct. 23) — Getting into the swing of things and mixing business with pleasure will change the dynamics of your relationships with your associates. An unusual concept you devise will take hold.

SCORPIO (Oct. 24-Nov. 22) — Put your energy into bringing about positive change. Use your skills and discipline to bring your vision to life. Find an outlet that helps you relax and makes you grateful for your life choices and prospects.

SAGITTARIUS (Nov. 23-Dec. 21) — Spend less time exhausting your resources and more time taking better care of your life, your home and your family. Follow your heart and forge ahead.

CAPRICORN (Dec. 22-Jan. 19) — How you handle responsibilities and finances will determine how you relate to others. An open dialogue and willingness to compromise will help you push your through your agenda with support from others.

AQUARIUS (Jan. 20-Feb. 19) — Reshaping your surroundings to meet your demands will make your life easier. Don't let anyone play emotional mind games with you or lead you astray with misinformation.

**SOME DEFENSES
ARE TOO TOUGH**

Joseph-Marie de Maistre, a French philosopher, writer, lawyer and diplomat who died in 1821, said, "It is one of man's curious idiosyncrasies to create difficulties for the pleasure of resolving them."

At the bridge table, we create deals, either by hand or with a computer program, and then enjoy trying to solve them. Most can be handled correctly if our analysis is accurate. But occasionally a layout will arise that requires doing something so abnormal that it is easy to overlook.

Cover the West and South hands. West leads the heart eight against four spades. After East takes dummy's 10 with his queen, what should he do next?

If West had opened one heart, North would have overcalled one no-trump. But in

the balancing position (a pass by North would have ended the auction), one no-trump would have shown only 11-15 points. Then, after South advanced with one spade, indicating 0-8 points, North's raise to two spades promised 17-19 points.

East has three defensive tricks: his aces and the heart queen. If the heart king will automatically score later, East can cash those aces and exit with a diamond. Here, though, that does not work.

East should realize that West has led a singleton or high from a doubleton. (West would have led low from a tripleton because he had not supported hearts.) Then, if East makes the weird-looking lead of a heart at trick two, he will defeat the contract. Here, South wins in the dummy and plays a trump, but East takes the trick, cashes the diamond ace, and gives West a heart ruff for down one.
