## Your Birthday

**SATURDAY, NOVEMBER 7, 2026**

*By Eugenia Last*

Happy Birthday: Balance, equality and keeping tabs on money, health and legal matters will round out your to-do list this year. You'll flourish if you are strategic, recognize your talents and promote what you enjoy doing most. Network, communicate and invest in yourself; future opportunities will develop, and contracts will be formulated and put in place. Health, wealth and reputation will unfold if you are open, honest and fair.

**SCORPIO (Oct. 24-Nov. 22)** — Slow down and do things right the first time. Work alone, stick to the rules and go above and beyond the call of duty. Your persistence will lead to opportunity and ward off anyone who tries to derail your plans.

**SAGITTARIUS (Nov. 23-Dec. 21)** — The smoother life flows, the more time you'll have for the people and pastimes you enjoy most. A chance to broaden your awareness will result in connecting with someone you find engaging.

**CAPRICORN (Dec. 22-Jan. 19)** — Take what you hear seriously, fact-check and do what's necessary to offset any criticism. Kind gestures will help you get others to speak freely.

**AQUARIUS (Jan. 20-Feb. 19)** — It's what you do that counts. Kindness will pave a positive path forward. Getting along and doing your best to compromise while requesting what's most important to you will make your life easier.

**PISCES (Feb. 20-March 20)** — Set a budget, put your plans in place and do the groundwork to ensure that when you are ready to launch, you are fully prepared. Refuse to let what others are doing influence how you proceed.

**ARIES (March 21-April 19)** — Express feelings through your actions, not words, and the response you receive will help you make decisions regarding who you want to associate with moving forward. A partnership looks fruitful.

**TAURUS (April 20-May 20)** — Stick to what you know, and be willing to listen to those who know more than you. Refuse to let stubbornness set in and anger lead to lessons you should already know.

**GEMINI (May 21-June 20)** — An open mind will soon be filled with knowledge that will come in handy. Reach out to interest groups helping causes that concern you and volunteer. Turn your attributes into a commodity.

**CANCER (June 21-July 22)** — Pay attention to community events and do some self-marketing. The people you meet and the conversations you have will be met with enthusiasm, opening a window of opportunity and improving your awareness regarding future possibilities.

**LEO (July 23-Aug. 22)** — Taking a break to pamper yourself or to spend time with someone you love will help relieve anxiety and encourage you to get back into a healthy routine. Let go of the past.

**VIRGO (Aug. 23-Sept. 22)** —Time is on your side; no need to act. A premature change will set you back. Ask questions, test theories and start building a plan that will come in handy when the time is right.

**LIBRA (Sept. 23-Oct. 23)** — Don't let laziness set in when you can make a difference. Do your part, listen and help someone in need. Don't sit on the sidelines when opportunities are likely to manifest through your actions and words.

**USE THE BIDDING TO GUIDE THE PLAY**

Joshua Foer, the 2006 American memory champion, said, "One trick, known as the journey method or 'memory palace,' is to conjure up a familiar space in the mind's eye, and then populate it with images of whatever it is you want to remember."

This week, we are looking at deals in which declarer must conjure up in his mind's eye the tricks that he needs to make his contract. He must also remember how the auction proceeded — which is important in this deal — and picture the cards that are played by the opponents.

South is in our favorite contract of three no-trump and West leads the heart eight in answer to his partner's overcall. How should South plan the play?

South starts with six top tricks: two spades, one heart (given the lead), one diamond and two clubs. He should play on diamonds to establish four tricks there. However, he will probably lose the lead while doing that and must try to make it impossible for the defenders to take one diamond and four hearts.

If declarer plays a low heart or the 10 from dummy at trick one, East will cover cheaply. Here, South can then get home by ducking the trick, but that would work badly if East had king-third of diamonds. And if South takes the first trick with his king, when West gets in with his diamond king, a second heart lead will kill the contract.

Instead, declarer should play dummy's heart queen at trick one. This forces East to win with the ace, and he cannot continue hearts without conceding a second trick in the suit.
