ASTROGRAPH

Your Birthday

SATURDAY, APRIL 25, 2026

By Eugenia Last

If you don't share your feelings or talk about what you want, nothing will change. Don't sit back and wait for someone to come to your rescue. It's your turn to rise and to force issues, to join in and participate, to stop complaining and bring about the changes your happiness depends on.

TAURUS (April 20-May 20) — Think before you react. Use your intelligence and call on experts to back your claims. Preparation is essential if you want to take care of matters quickly and efficiently.

GEMINI (May 21-June 20) — Call the shots and make things happen. Make physical changes that enrich your life and boost your confidence. Rearrange your living space to accommodate your needs, and you'll flourish.

CANCER (June 21-July 22) — Forget about what others are doing and concentrate on what's best for you. Protect your reputation, position and your peace of mind. Put your emotions aside and let facts and figures dictate how you proceed.

LEO (July 23-Aug. 22) — Turn your dream into a reality. Gather information and set aside what you need financially, physically and emotionally to finish what you start. Socialize, use charm and explore the possibilities.

VIRGO (Aug. 23-Sept. 22) — Make physical changes for the right reason. Refuse to be coerced into altering your looks to appease someone else. Avoid unnecessary costs and expensive entertainment.

LIBRA (Sept. 23-Oct. 23) — Learn from your experiences, and don't make the same mistake twice. Rely on your instincts and people with your best interests at heart to get you where you want to go.

SCORPIO (Oct. 24-Nov. 22) — You need to distance yourself from the hustle and bustle and give yourself time to think. Refuse to let emotions lead you astray or cost you financially. You can't buy love.

SAGITTARIUS (Nov. 23-Dec. 21) — Put your differences with someone aside and get your emotions under control. A change at home will influence your personal preferences. Acceptance and productivity are your path to peace of mind and happiness.

CAPRICORN (Dec. 22-Jan. 19) — Be careful with whom you share information and personal thoughts. Stick close to home and put your energy into self-preservation and taking better care of yourself.

AQUARIUS (Jan. 20-Feb. 19) — Changing your location or rearranging your space to meet your demands will ease stress. Don't hibernate when interactions will bring out the best in you and attract someone interesting.

PISCES (Feb. 20-March 20) — Relax and watch the world go by. Refuse to buy into someone else's dream when you have your own plans to make. Simplify your life and let go of what causes you grief.

ARIES (March 21-April 19) — Participate; be a player, a mover and a shaker. Let your quick wit and engaging appeal resonate throughout whatever room you enter. Pump it up, and you won't be disappointed.

By Phillip Alder

TWO PLAYERS HAVE POSSIBLE ROADS

On some deals, a defender will have a dilemma, not sure how to defeat the contract. He must rely on his partner.

Against five diamonds, West leads the spade two. How should declarer play? Suppose he wins with his ace, plays a heart to dummy's 10, and runs the diamond nine to West's king. How should West defend?

After two passes, East opened a light third-in-hand one spade. South overcalled two diamonds. West made a pre-emptive jump to three spades, showing four-card support and less than game-invitational values. (With a stronger hand, he would have cue-bid three diamonds.) North doubled to indicate a maximum pass, and South jumped to five diamonds.

This is a difficult deal. It is tempting for declarer to assume that East holds the diamond

king. But after the diamond finesse fails, West wonders whether his side needs to take one diamond, one spade (when East has only five spades) and one club, or one diamond and two clubs (when East has six spades). He does not know, but East should. At trick four, West should shift to his club queen, and South plays low from the board. Now the spotlight is on East. From the spade-two lead, he knows that West has only four spades. So East should overtake with his club ace and cash the spade king.

What did declarer do wrong? It is better to cash his diamond ace at trick two. If the king drops, fine. But when it does not, South turns to hearts, getting home if the defender with the diamond king has at least three hearts. Declarer's club loser evaporates on dummy's fourth heart.
