ASTROGRAPH

Your Birthday
SATURDAY, MARCH 28, 2026
By Eugenia Last

You don't stand alone. Reach out and work with people to bring about positive change. Put yourself out there; be the leader of the pack and the one who finds peace in helping others. Mark your place, make an impact and refuse to let outside negativity stifle your plans.

ARIES (March 21-April 19) — Be bold; engage, socialize and participate in whatever motivates you to help others and enjoy life. Choose the path to stardom, recognition and making a difference in your community.
TAURUS (April 20-May 20) — Take your time and protect your assets. Go through the proper channels and look for ways to lower stress and make your life flow more efficiently.

GEMINI (May 21-June 20) — Look before you leap. Your tendency to act fast will benefit you only if you already know the lay of the land. Knowledge and instinct are your tickets to stardom.

CANCER (June 21-July 22) — Shine brightly in crowded places and find a platform to promote your agenda. Whether you are trying to expand your interests or make new friends, the outcome will depend on whom you align yourself with.
LEO (July 23-Aug. 22) — The journey will be worth the ride. Keeping an open mind and reaching out to people with experience will encourage you to claim your piece of a project or movement you want to join.
VIRGO (Aug. 23-Sept. 22) — Expand your interests and

explore possibilities that come with learning new skills. Take care of your physical needs before they turn into something more difficult to address.
LIBRA (Sept. 23-Oct. 23) — Hit the reset button and head in a different direction or share something special with someone. A partnership that offers equality and adds value to what you want to achieve looks promising.
SCORPIO (Oct. 24-Nov. 22) — Set the stage for success. Channel your energy into what counts, get the lowdown and change what's no longer applicable to your situation. Be a leader and share your thoughts.
SAGITTARIUS (Nov. 23-Dec. 21) — Protect your home and replace inefficient, costly practices. Do your research, and you'll discover how to bring in extra cash and stretch it to fit your needs.
CAPRICORN (Dec. 22-Jan. 19) — Believe in yourself and let your confidence help you attract the support you require to advance your plans. Stick to the truth, question what causes uncertainty and avoid excessive behavior.

AQUARIUS (Jan. 20-Feb. 19) — Refuse to let anyone talk you into a costly home-improvement project when you have better uses for your hard-earned cash. Focus on peace of mind and physical and emotional well-being.
PISCES (Feb. 20-March 20) — A personal change will create an opportunity that can increase your earning potential. Embrace what's yours to discover with an open mind, joyful heart and a creative spirit.

IN A GRAND SLAM, COUNT WINNERS FIRST

Denis Waitley, a motivational speaker and author, said, "The reason most people never reach their goals is that they don't define them ... or even seriously consider them as believable or achievable. Winners can tell you where they are going, what they plan to do along the way, and who will be sharing the adventure with them."

A bridge player knows his goal, but unless he counts winners and losers, he will often not reach it, and partner would then be sharing the failure with him.

In this deal, South reaches seven spades. After West leads the diamond queen, what should declarer do?

Although South had only 16 high-card points, he had so many playing tricks that he was right to jump-rebid two spades, which guaranteed at least five clubs (his first-bid suit) and was game-forcing. North then used two doses of Roman Key Card Blackwood, learning first that his partner had three key cards (two aces and the spade king, or three aces), and second that he had the spade queen and club king.

South starts with only nine top tricks: four spades, two hearts, one diamond and two clubs. He needs to establish his club suit, which will generate extra club winners and more trump tricks with ruffs in the dummy. And usually in this situation, it is right to play on the side-suit first.

Declarer wins with dummy's diamond ace, plays a club to his ace, ruffs a club low on the board, returns to his hand with a trump, ruffs another club with the spade jack, draws trumps, and claims.
