ASTROGRAPH

Your Birthday
SUNDAY, JUNE 21, 2026

By Eugenia Last

Happy Birthday: Recognize what and who you are up against as you inch forward. Use your experience and physical skills to help others. The people you meet through volunteer work or participating in events that stretch your imagination will offer insight into how you can expand these attributes into something tangible.

CANCER (June 21-July 22) — Set goals, but be honest with yourself regarding what you can and can't handle. Don't hesitate to call in an expert or downsize plans. Pay attention to those you love.

LEO (July 23-Aug. 22) — Speak and act passionately. Show your concern, and make suggestions. Listen carefully and work as a team player; success will be yours. A little charm will go a long way. Learn from experience.

VIRGO (Aug. 23-Sept. 22) — Strive for personal and financial growth. Use your memory and intelligence to outmaneuver anyone who challenges you. Consider different applications for your knowledge, experience and physical skills.

LIBRA (Sept. 23-Oct. 23) — Be careful what you share. Someone will be quick to replace what you say with their own interpretation. If you plan to implement change, then oversee every aspect to avoid costly mistakes.

SCORPIO (Oct. 24-Nov. 22) — An open mind will help you understand possibilities. Participating in an event that offers insight and a unique perspective regarding what you can do to help will bring you in contact with someone of interest.

SAGITTARIUS (Nov. 23-Dec. 21) — Pay more attention to how you look and feel and to fine print and details surrounding financial obligations, contracts and medical issues. Certain projects will be time-consuming.

CAPRICORN (Dec. 22-Jan. 19) — It's up to you to set high standards and to create opportunities. Set your sights on what excites you most, and use your intelligence, connections and energy to outperform anyone who tries to compete with you.

AQUARIUS (Jan. 20-Feb. 19) — Put your paperwork in order and any unfinished business to rest. Lowering stress is a surefire way to improve health and get back to the best version of yourself.

PISCES (Feb. 20-March 20) — Participating in conversations and events that bring you in contact with people from different backgrounds will spark your imagination and encourage you to rethink how you want to move forward.

ARIES (March 21-April 19) — Don't deny yourself the right to explore, create and find your happy place. Dance to the beat of your own drum while engaging in playful activities that spark your imagination.

TAURUS (April 20-May 20) — Size up your situation and your schedule, and rearrange your calendar to meet your demands. The plan is to ease stress and tension and to set boundaries with those who eat up your time.

GEMINI (May 21-June 20) — Don't deny yourself the chance to pick up additional skills to accommodate what you want to pursue. Change begins with you. Take pride in what you do, and reach for the stars.

THINK CAREFULLY
AT TRICK ONE

Robert J. Sawyer, a Canadian science fiction writer, said, "General principles should not be based on exceptional cases." This week we are studying third hand's finessing against his partner at trick one. The general principle is that when dummy has one honor, third hand holds a higher honor, and dummy plays low, third hand saves his honor when he can insert a nine or higher.

However, bridge still exists because of exceptional cases. Is this deal one of them?

South is in three no-trump. West leads his fourth-highest heart. What should East do after declarer calls for dummy's five?

After South opened one no-trump, responder was right to raise to three no-trump. With a long minor, no singleton or void, enough points to think about game, but insufficient

for a slam, go for the nine-trick game.

If East blindly follows the finesse-against-partner rule, he will put in his heart 10. However, South will win with his queen and run the diamond jack. East can win with his king, but declarer has 10 tricks: three spades, one heart, five diamonds and one club.

Now let's go back to trick one. If East tallies the high-card points, he will realize that his partner is destitute. And if he stops to survey his hand and the dummy, he will notice that his club suit is a source of three tricks. East must take the first trick with his heart ace and shift to the club king.

Whatever declarer does, he can no longer make the contract.

Whether you are declarer or a defender, take time at trick one to plan your campaign.
