## ASTROGRAPH

**Your Birthday**  
**THURSDAY, JUNE 25, 2026**  
*By Eugenia Last*

Happy Birthday: Emotions will be close to the surface this year. You'll encounter highs and lows that will make life interesting. Tell it like it is, question anyone who elaborates beyond your comprehension and soul-search to find your bliss. Go about your business.

**CANCER (June 21-July 22)** — You may have to step outside your comfort zone when dealing with associates or authority figures. Listen carefully and respond honestly to ensure you understand what others want from you.

**LEO (July 23-Aug. 22)** — An open mind and heart will redefine who you are and what you share. Volunteering, donating and reaching out with compassion will have an infectious effect on those you encounter.

**VIRGO (Aug. 23-Sept. 22)** — Don't let what others do stop you from pursuing what matters to you. What you do to make a difference to yourself, your community or a cause you feel passionate about will give you hope for a better future.

**LIBRA (Sept. 23-Oct. 23)** — Size up situations before you indulge in rhetoric that can cost you. Discipline and ingenuity are necessary if you want to navigate your way through a stormy situation.

**SCORPIO (Oct. 24-Nov. 22)** — Size up and sort through differences. How you engage in talks and work alongside others will determine how far you get. By choosing intellect over a force play, you'll gain respect.

**SAGITTARIUS (Nov. 23-Dec. 21)** — Have faith in yourself and your resources. Focus

on fixing up your space. A work-related opportunity will enhance your earning potential. Look over paperwork, and choose what makes you feel comfortable.

**CAPRICORN (Dec. 22-Jan. 19)** — Reach out to experts and get the lowdown on what you can do to contribute to something purposeful. Walk away from people and situations that are dishonest or cause despair.

**AQUARIUS (Jan. 20-Feb. 19)** — Personal improvements show promising results. Engage in fixing up your life and surroundings, and the rewards will shine through in how you treat yourself and others moving forward.

**PISCES (Feb. 20-March 20)** — Money and emotions won't gel. Avoid scams and purchases making unreasonable claims. Pay more attention to running your home efficiently and putting money aside for something special.

**ARIES (March 21-April 19)** — You'll be tempted to exaggerate. Stick to the truth or be ready to explain your assumptions. Don't try to change others when your efforts will offer better results if you focus on self-improvement.

**TAURUS (April 20-May 20)** — Note your feelings before you engage in something that puts your well-being at risk. A change to your living arrangements will help you sort through any differences you have with associates or family members.

**GEMINI (May 21-June 20)** — You'll be quick to respond. Choose your words wisely, and take the time to process the information you receive prior to blurting out what you think. Your best returns will come from what you learn.

*By Phillip Alder*  
**HOW DO YOU MAINTAIN CONTROL?**

Sylvester Stallone said, "Success is usually the culmination of controlling failure."

In today's deal, success is the culmination of controlling the trump suit. This is easier to do when presented with a deal on paper. At the table, it is harder because no one is ringing a warning bell.

South is in four hearts. West starts the defense with his three top spades. How should South continue?

North opened one club because his hand was too strong for a 15-17-point no-trump. South was tempted simply to raise clubs. However, he knew that the game revolves around the majors. So he responded one heart. West made a takeout double, promising four spades and four or more diamonds. North's jump to game was an overbid

given his 4-3-3-3 distribution, but he wanted to try for the game bonus. If he had bid only three hearts, South would have also had a close decision. And note that in five clubs, North should lose two spades and one diamond.

It looks so easy: Ruff the third spade, draw trumps and run the clubs for an overtrick.

Here, though, when West discards on the second round of hearts, the contract is suddenly unmakeable. Declarer has lost trump control.

South should be happy to lose one trump trick in order to get these 10: three hearts, one diamond, five clubs and the spade ruff. Declarer must concede the first or second round of trumps. Then he can win East's return, draw trumps and run the clubs.

At the worst, this line costs an overtrick when hearts are 3-2 all along.
