The purpose of the revision is to delete 9.9 acres from the extreme eastern end of the permit that have not been affected and add 9.9 acres to the southwestern corner of the current permit to allow for mining in the added area. The 9.9 acre adjustments are both on the property of FLC Properties, LLC.

ASTROGRAPH

Your Birthday

THURSDAY, APRIL 2, 2026

By Eugenia Last

Work toward your goals quietly. The less you divulge, the more you'll accomplish this year. Refuse to let temptation get the better of you. Emotional acts will cost you if you make unrealistic promises or choices. Use your intelligence, strength and courage, not your ego, to lead the way. Listen and learn.

ARIES (March 21-April 19) — Calm down, think matters through and refuse to agree to something you know little about. Research is necessary before you trust someone to act or speak on your behalf.

TAURUS (April 20-May 20) — Change only what's necessary, regardless of the temptations and weak moments that leave you vulnerable. Avoid taking on more than you can handle. Avoid indulgence.

GEMINI (May 21-June 20) — It's time to hit the reset button and get back on track. Whether you've neglected yourself or your responsibilities, you can turn things around with smart choices and responsible actions.

CANCER (June 21-July 22) — An open discussion will mend a misunderstanding or encourage you and those you talk with to have a concise view of what's possible. Refuse to let negativity lead the way.

LEO (July 23-Aug. 22) — Consider changing direction. Discover what's available and start the process to reinvent or restructure your life to suit your needs. Don't limit yourself when it's up to you to march forward with enthusiasm.

VIRGO (Aug. 23-Sept. 22) — Education will change your life for the better. Check out courses, skills and pastimes that you may be able to turn into a profit.

LIBRA (Sept. 23-Oct. 23) — Letting go is essential; wasting time on things you cannot change will help no one. Make your initiative crystal clear, and open doors that lead to a healthy, efficient lifestyle.

SCORPIO (Oct. 24-Nov. 22) — Stand up and be counted, and you'll expand your interests and friendships. Refuse to adopt someone else's dream over your own. Know when to give it your wall and when to exercise restraint.

SAGITTARIUS (Nov. 23-Dec. 21) — You can extend a helping hand, but you should be wary of people trying to take advantage of your generosity. Put your energy into home improvement, earning your living and managing your finances.

CAPRICORN (Dec. 22-Jan. 19) — Partnerships that keep you on track and accountable are the backbone to your survival and success. Refuse to let emotional situations lead to poor choices.

AQUARIUS (Jan. 20-Feb. 19) — It's all about how you handle your responsibilities, money and contracts today. Refuse to be a follower. Show diversity and discipline, and deliver what you promise, and rewards will follow.

PISCES (Feb. 20-March 20) — Explore the possibilities. Stand up and be counted. Use the power of your voice to make a difference. Don't sit alone when feedback is what you need to move forward.

DOES SOUTH NEED A FINESSE TO WORK?

David Cone, who pitched a perfect game for the Yankees in 1999, said, "I'm a finesse pitcher without the finesse." That gives a good hint for today's deal. South is in six spades. West leads the diamond ace: three, queen, two. West continues with a low diamond, which South ruffs. How should declarer continue? As a secondary issue, what was West's more successful defense?

North's sequence, a two-over-one response followed by a jump in spades, showed exactly three-card spade support and game-forcing values. South then used Roman Key Card Blackwood to learn that his partner had two key cards (two aces, or one ace and the spade king) and the spade queen.

After ruffing the second diamond, declarer initially thought he would have to rely on the club finesse. But then, because North's trumps were so strong, he realized that if spades were 3-2 (mathematically more likely than the club finesse working), he could get home with a dummy reversal.

South played a heart to dummy's 10, ruffed another diamond, returned to dummy with a trump, ruffed the last diamond, drew trumps and claimed. Declarer took three spades on the board, five hearts, one club and three ruffs in his hand.

West could have defeated the contract if he had shifted to a spade or heart at trick two, which would have killed the timing for the dummy reversal and forced South to take the club finesse.

Afterward, North commented, "I never guessed that my heart 10 would be such a vital card."

NOTICE OF FINDING OF NO SIGNIFICANT IMPACT AND NOTICE OF INTENT TO REQUEST RELEASE OF FUNDS

Date of Notice: April 1, 2026
 Name of Responsible Entity (RE): Indiana County Commissioners
 Address: 825 Philadelphia Street, Indiana, PA 15701
 Telephone Number of RE Preparing Agency: Indiana County Office of Planning and Development 724-465-3870

These notices shall satisfy two separate but related procedural requirements for activities to be undertaken by Indiana County.

REQUEST FOR RELEASE OF FUNDS

On or about April 17, 2026 the County of Indiana will submit a request to the Department of Community and Economic Department (DCED) for the release of multiple fiscal years (2022/2023/2024/2025) of Community Development Block Grant Funds under Title I, as amended, to undertake a project known as the Luciusboro Storm Sewer and Road Reconstruction Project, for the purpose of constructing storm water collection lines throughout the village of Luciusboro, Center Township, Indiana County, PA. Upon the conclusion of the storm pipe installation the streets will be reconstructed according to Penn Dot specifications 408.

FINDING OF NO SIGNIFICANT IMPACT

The County of Indiana has determined that the project will have no significant impact on the human environment. Therefore, an Environmental Impact Statement under the National Environmental Policy Act of 1969 (NEPA) is not required. Additional project information is contained in the Environmental Review Record (ERR) on file at the Indiana County Office of Planning and Development, 801 Water Street, Indiana, Pennsylvania 15701 and may be examined or copied weekdays 8:30 A.M. to 4:00 P.M.

PUBLIC COMMENTS

Any individual, group, or agency disagreeing with this determination or wishing to comment on the project may submit written comments to the Indiana County Office of Planning and Development. All comments received by April 16, 2026 will be considered by the County of Indiana prior to authorizing submission of a request for release funds. Comments should specify which Notice they are addressing.

ENVIRONMENTAL CERTIFICATION

The County of Indiana certifies to Pennsylvania that R. Michael Keith, in his capacity as Chairman of the Indiana County Board of Commissioners, consents to accept the jurisdiction of the Federal Courts if an action is brought to enforce responsibilities in relation to the environmental review process and that these responsibilities have been satisfied. Pennsylvania's approval of the certification satisfies its responsibilities under NEPA and related laws and authorities, and allows the County of Indiana to use Program funds.

OBJECTIONS TO RELEASE OF FUNDS

Pennsylvania will accept objections to its release of funds and the County of Indiana's certification for a period of fifteen days following the anticipated submission date or its actual receipt of the request (whichever is later) only if they are on one of the following basis: (a) the certification was not executed by the Certifying Officer of the County of Indiana; (b) the RE has omitted a step or failed to make a decision or finding required by HUD regulations at 24 CFR Part 58; (c) the grant recipient has committed funds or incurred costs not authorized by 24 CFR Part 58 before approval of a release of funds by Pennsylvania; or (d) another Federal agency acting pursuant to 40 CFR Part 1504 has submitted a written finding that the project is unsatisfactory from the standpoint of environmental quality. Objections must be prepared and in accordance with the required procedures (24 CFR Part 58, Section 58.76) and shall be addressed to the Department of Community and Economic Development at chrhowe@pa.gov. Potential objectors should contact the Pennsylvania through DCED to verify the actual last day of the objection period.

R. Michael Keith, Chairman
 Indiana County Board of Commissioners
