Express yourself, your likes and dislikes, and see how much you save emotionally and financially this year. Your tell-it-like-it-is attitude will help you clear up unfinished business. Refuse to let what others do or say affect the choices you make. Forward thinking and taking the path that suits your needs are in your best interest.

SAGITTARIUS (Nov. 23-Dec. 21) — Address emotional and financial situations and ease your mind. Fretting instead of being proactive will affect your health and well-being. Be honest with yourself and others.

CAPRICORN (Dec. 22-Jan. 19) — Look for opportunities by attending functions that integrate what you enjoy doing with professional possibilities. Be bold, unique and confident as you blaze forward.

AQUARIUS (Jan. 20-Feb. 19) — Reinvent yourself and how you want to use your skills. A change of location or people in your life requires common sense. Don't believe everything you hear.

PISCES (Feb. 20-March 20) — Talks, discipline and innovative ideas will flourish. Communication will help you plan to move forward and deal with people who are trying to stop you from achieving your goals.

ARIES (March 21-April 19) — You can build a solid platform if you are positive and forthright. Traveling, communicating and finishing what you start are the keys to your suc-

cess.

TAURUS (April 20-May 20) —Think twice before you let your emotions escalate and lead you down a slippery slope. Know your limits, your attributes and your goals, and focus on what's possible.

GEMINI (May 21-June 20) — Change is within reach. Thoughts, followed by actions, will get you where you want to go. Don't hesitate to walk away from situations that are standing between you and happiness.

CANCER (June 21-July 22) — Go through the proper channels, and you'll have no regrets. Talk to authority figures, map out a plan and head in a direction that encourages growth and prosperity.

LEO (July 23-Aug. 22) — Time is money, and the journey you start today will help expand your awareness. Attend events that offer insight and help you make connections that allow you to express your attributes.

VIRGO (Aug. 23-Sept. 22) — Fixate on what's important. Focus on domestic matters that need tweaking to ensure nothing festers behind closed doors. Change begins with you and your ability to lead the way.

LIBRA (Sept. 23-Oct. 23) — Get into the fast lane before someone beats you at your own game. Reach out; be the one to make a difference by leading the way. Refuse to let laziness cost you a difference by leading the way.

SCORPIO (Oct. 24-Nov. 22) — Let your creative imagination lead, and you'll dazzle others with your insight and innovative suggestions. Don't hesitate to broaden your horizons and to venture into new territory.

WHEN YOU HAVE THEM,

DO NOT LET GO

P.G. Wodehouse, my favorite author, said, "Golf, like measles, should be caught young."

He could have also added bridge to that sentence. And sometimes when you have the opponents caught, do not let them escape — double and extract a penalty.

One aspect of that will be my theme this week. Opener bids one of a suit and the next player doubles. What does responder's redouble mean?

He promises at least 10 high-card points and denies four-card or better support if partner opened in a major, and denies five-card or better support if partner bid a minor.

After this redouble, the simplest rule is that either the opening side plays the contract or the intervening side plays in something doubled — as in today's deal.

When South doubles, West should smell blood. He redoubles, planning to double anything the opponents try. Here, maybe North should immediately bid one no-trump as he does not have four cards in an unbid suit. But one no-trump doubled can cost 1,100.

Against two clubs doubled, West leads the spade queen, then shifts to the diamond 10.

East wins that trick and switches to a trump, ducked to West. He leads another diamond and East returns his second trump. West wins and plays a third diamond, East taking the trick and switching to the heart eight. West wins and now has a hard play to find. If he leads a trump into South's ace-queen, the penalty is also 1,100. Anything else and declarer escapes for "only" 800.
