Express your thoughts and intentions. Participate in events and activities that encourage you to learn something new. Walk away from negative situations that waste your time or hold you back. Channel your energy into exploring what's possible, learning something new and adapting to a lifestyle that meets your needs.

PISCES (Feb. 20-March 20) — Don't hesitate; if there is something you want, make your move. Don't promise more than you can deliver or let excessive behavior damage your reputation. Honesty and hard work will pay off.

ARIES (March 21-April 19) — Stay focused on what you must do to maintain your lifestyle. The more information you have, the easier it will be to make wise choices and sidestep trouble. Use your brain instead of your brawn.

TAURUS (April 20-May 20) — Do your part and make a difference. How you reach out to people will determine how much help you receive in return. Avoid excessive behavior.

GEMINI (May 21-June 20) — Proceed with caution. Letting your emotions take the lead will cost you if you go overboard. You have far more to gain by letting your actions speak for you.

CANCER (June 21-July 22) — Temptation will get the better of you if you aren't careful. Consider the consequences before you exaggerate, indulge or overspend. The right choice will encourage financial and personal growth.

LEO (July 23-Aug. 22) — Secrecy is a must when dealing with financial matters. Protect yourself, your rights and your health and economic well-being from anyone who doesn't fully support you.

VIRGO (Aug. 23-Sept. 22) — When opportunity knocks, open the door. If you hesitate, you will get left behind. A change is within reach; all you must do is recognize the signals and respond to it.

LIBRA (Sept. 23-Oct. 23) — Engage in events that interest you. The information you gather will help build a foundation for something that excites you. Follow your instincts and make things happen.

SCORPIO (Oct. 24-Nov. 22) — Home improvements will make life easier if you stick to your budget. Speak from the heart and clear up any issues that may stand between you and someone you love and respect.

SAGITTARIUS (Nov. 23-Dec. 21) — Avoid sharing personal information or secrets that someone can use against you. Listen to what others say, but don't believe everything you hear. Protect your assets.

CAPRICORN (Dec. 22-Jan. 19) — Shy away from conversations that are too personal. Sharing information that makes you feel uncomfortable will lead to trouble. Focus more on advancing professionally and boosting your bank account.

AQUARIUS (Jan. 20-Feb. 19) — Protect your reputation. Don't mix business with pleasure. Indulgent behavior and temptation are prevalent and can easily test your willpower if you lack discipline.

**THE RIGHT CARD
CAN PAY DIVIDENDS**

Oscar Wilde said, "One should always play fairly when one has the winning cards."

That is reasonable. But when one is in potential danger, false-carding at the right moment may make the difference between success and failure.

In this deal, how should South play in three no-trump after West leads his fourth-highest heart and East puts up the queen?

South starts with six top tricks: four spades and two hearts. There are four more available in clubs. Is there any danger?

Yes, if East has the club ace and thinks to shift to a high diamond, with West having that ace hovering over declarer's king, South could lose one club and at least four diamonds.

However, declarer does have the advantage that defenders

"always return partner's suit" in no-trump. Still, how can declarer push East firmly in that direction?

South must take the first trick with his heart king, not the ace. To win the first trick in no-trump with an ace is an advertisement that you are not worried about that suit, because if your only high card were the ace, you would have made a holdup play, not taken the ace until, probably, the third round of the suit. Then declarer plays a club. It would be almost psychic of East to find the diamond-10 shift.

Finally, note East is unlucky that he does not have ace-third of clubs. Then he could hold up that ace until he could get a signal from his partner. Here, West would immediately discard a heart to tell his partner that they cannot run the suit.
