By Eugenia Last

Be quick to assess domestic expenses and avoid penalties. Focus on how you can give back to your community or take advantage of incentives. Reach out to organizations and people who can offer insight into how to use your skills to protect yourself and your possessions. Positive change begins with accurate information and experts.

**ARIES (March 21-April 19)** — Settle in, dial up your discipline and refuse to let temptation lead you astray. Rethink your financial and health strategies and adjust your routine to suit your needs.

**TAURUS (April 20-May 20)** — Get serious about your financial, medical and contractual obligations. Overextending yourself in any aspect of life will lead to trouble with institutions.

**GEMINI (May 21-June 20)** — Take action, and you'll help make a difference. Equality and balance are necessary, and curbing bad habits and being frugal will put you on a path to freedom.

**CANCER (June 21-July 22)** — Acting in haste or letting your ego or desire tempt you to do unwise things will lead to regret. Avoid excessive behavior and making suggestions you cannot fulfill.

**LEO (July 23-Aug. 22)** — Put your differences with others aside and pour your energy into research and making a unique contribution. How you present yourself and your objective will determine what you receive in return.

**VIRGO (Aug. 23-Sept. 22)** — You may crave change, but you

must first think matters through and consider any consequences. Think about what's in demand and focus on how you can be part of a positive outcome.

**LIBRA (Sept. 23-Oct. 23)** — Let your imagination run wild, and enjoy the onset of creativity that follows. Pay attention to detail and use your energy and willpower to broaden your agenda and seize an opportunity.

**SCORPIO (Oct. 24-Nov. 22)** — Explore the possibilities, elaborate on your ideas and put your plans in motion. Thoughts followed by actions will lead to new beginnings and opportunities.

**SAGITTARIUS (Nov. 23-Dec. 21)** — Keep your thoughts to yourself and let your actions lead the way. A change of pace, scenery or entertainment will help you revise how you handle or earn your money.

**CAPRICORN (Dec. 22-Jan. 19)** — You can wheel and deal, but you must protect yourself from anyone using unscrupulous tactics to tempt you to take on too much. Above all else, maintain balance and equality. Avoid taking a health risk.

**AQUARIUS (Jan. 20-Feb. 19)** — Overreacting will not serve you well. Control your emotions, stick to a budget and a plan, and refuse to take financial or physical risks. Choose peace and love over chaos and discord.

**PISCES (Feb. 20-March 20)** — Challenge yourself mentally and physically. Competitive situations will encourage you to try harder. Avoid overspending or letting ego interfere with your progress. Make self-improvement your goal.

## BRIDGE CAN BE MAGICAL AT TIMES

Diane Frolov and Andrew Schneider, for an episode of "Northern Exposure," wrote, "Life is spontaneous and it is unpredictable; it is magical."

Bridge is rarely spontaneous, because it requires thought. But it can occasionally be unpredictable and magical — as in this deal.

South is in three spades. The contract looks unbeatable. Surely the defender can take only three clubs and one diamond. Can't declarer get into the dummy in diamonds, collect the spade finesse, and collect seven spades and two diamonds (or one diamond and one heart)?

Well, strange as it may seem, the defenders can defeat the contract — but how?

South had a textbook vulnerable three-spade opening: a good seven-card suit and 6-10 high-card points. After that, no one

had sufficient values to argue.

West leads the club king. East overtakes with his ace and returns the club two. This tells West that East started with only two clubs. West wins the second trick with his eight, then cashes the club queen. What should East discard?

East must pitch a diamond. Now West leads a fourth club and East throws another diamond.

South cannot ruff on the board, because then he would be unable to take the spade finesse. So South ruffs in his hand and plays a diamond to try to get into the dummy for the trump finesse. But West wins with his ace and leads another club, on which East jettisons his last diamond.

Declarer trumps and plays a diamond, but East ruffs the trick to defeat the contract.

Isn't that magical?
