ASTROGRAPH

Your Birthday
SATURDAY,
NOVEMBER 1, 2025
By Eugenia Last

Set high standards, boundaries and goals this year, and strive to keep the promises you make to yourself and others. You have plenty to gain if you are willing to put in the time and effort. Refuse to make excuses or let what others do stand in your way. Don't forget to celebrate your victories.

SCORPIO (Oct. 24-Nov. 22) — You can sit alone or share your thoughts with others. Interaction will stimulate your mind and nudge you to exploit your talents and turn your ideas into something tangible.

SAGITTARIUS (Nov. 23-Dec. 21) — Stop, think and evaluate the outcome before you initiate a change. Time is on your side, and patience is a virtue. Reserve judgment, verify information and rethink your objective.

CAPRICORN (Dec. 22-Jan. 19) — Put your energy where it counts, and you will make a difference. Use your imagination and let your discipline and determination push you toward your goal. Market yourself for success.

AQUARIUS (Jan. 20-Feb. 19) — A change at home will be uplifting. Invest time, money and energy in yourself, both emotionally and physically, and you'll reap the results that lead to success.

PISCES (Feb. 20-March 20) — Put your energy to work for you. Engage in learning, travel or more significant involvement in activities that put a smile on your face. Take the initiative and

enjoy the ride.
ARIES (March 21-April 19) — Address personal affairs and keep your secrets private. Avoid events that favor excessive or indulgent behavior. Tie up loose ends, address contracts and pay attention to overdue debt.

TAURUS (April 20-May 20) — Nurture meaningful relationships. Go the extra mile to please others. Showing compassion will lead to open communication and the discovery of novel ways to resolve issues.

GEMINI (May 21-June 20) — Enrich your life by attending seminars, going to reunions or traveling to interesting places. A change of scenery will give you food for thought. Engage in new cultural experiences.

CANCER (June 21-July 22) — Mix business with pleasure, and you'll make headway. Networking events will give you a different outlook on the possibilities. It's time to diversify how you use your skills and knowledge.

LEO (July 23-Aug. 22) — You may receive misinformation that can lead you astray. The best change you can make is one that involves only yourself. Discover how you can enhance your awareness and acquire new skills.

VIRGO (Aug. 23-Sept. 22) — Share your plans with anyone who will be affected by them. Offering compensation will help you gain support, making it easier to complete your mission.

LIBRA (Sept. 23-Oct. 23) — Preparation is everything when you are trying to advance. Review your profile, check your reputation and ensure everything is in top shape. Ask and you shall receive.

THE WRONG SLAM
AND THE BEST DEFENSE

Anne Tyler said, "People always call it luck when you've acted more sensibly than they have."

That is often true, but there can still be matters out of your control. Take today's deal, for example. Look at only the North-South hands. In which contract would you choose to play?

When the deal was originally played, the bidding went as shown. North-South were using two-over-one game-forcing. On the third round, South broke a golden rule of Blackwood by using the convention with two fast losers in both unbid suits, with no guarantee that partner had a first- or second-round control in those suits. South should have bid four spades.

Then, North probably would have passed, although with controls in both hearts and clubs, there would have been a good case for his using Blackwood.

Six diamonds and six spades are both excellent contracts, apparently losing only one club trick. However, at the table, against six diamonds, West led the club jack. East won with her king and realized that, unless West had a slow trump trick like jack-fourth, there was only one way to defeat the slam -- shift to a spade. West happily ruffed and South unhappily wrote minus 100 on her scoresheet.

Then North pointed out that six spades was making. Against that slam, East's best lead is a low club! If North carelessly plays low from the board, West wins and gives his partner a diamond ruff.
