ASTROGRAPH

Your Birthday

THURSDAY,
SEPTEMBER 17, 2026

By Eugenia Last

Happy Birthday: Put your differences and emotions aside, and be detailed and realistic regarding matters of importance this year. How you divide your time and the effort you put in will be what count and bring you the rewards you are hoping for. Refuse to let the changes others make curb your desire to do your own thing. It's time to satisfy your needs instead of putting everyone else first.

VIRGO (Aug. 23-Sept. 22) — Put your plans on hold until you have everything in place. Acting prematurely will cost you as the day unfolds. Pay attention to detail, and get what you want in writing.

LIBRA (Sept. 23-Oct. 23) — Learning from past relationships will help you become a better partner and encourage you to make wiser decisions. Spend more time listening and less trying to charm others.

SCORPIO (Oct. 24-Nov. 22) — Less anger and distaste toward those you encounter and more strength and discipline toward becoming the best version of yourself will pay off. Say no to temptation.

SAGITTARIUS (Nov. 23-Dec. 21) — Broaden your horizons, connections and goals. Choose what makes you happy and who you enjoy spending time with most, and adjust your calendar to ensure you schedule what's most meaningful to you.

CAPRICORN (Dec. 22-Jan. 19) — No matter who you share time with or what you do, enthusiasm will make the time spent more vibrant, interesting and entertaining. Form close ties with people who bring out the best in you.

AQUARIUS (Jan. 20-Feb. 19) — Think about what you want to do next. Build your future using your skills, experience and intellectual talents, and you'll find your niche. Set up interviews.

PISCES (Feb. 20-March 20) — Sensitive issues will make communication difficult. Be bold and direct, and fact-check information before you follow through. Participate in events or activities that encourage you to use your skills.

ARIES (March 21-April 19) — Gather information. Whether you research, attend a lecture or sign up for what interests you, it will lead to something that stimulates your mind. Share your thoughts.

TAURUS (April 20-May 20) — Take better care of yourself, your relationships and your reputation. Work from home, if possible, and deal with institutions. Pursue any financial help available that can help you with home improvements.

GEMINI (May 21-June 20) — Go where the action is and experience the excitement of being part of a movement you believe in. Your input will be welcome, and what you take on will help you gain insight into something you want to pursue.

CANCER (June 21-July 22) — Spend more time and effort on home and personal care. A routine will help you reach and maintain healthy goals that encourage you to look, live and feel your best. Be honest with yourself.

LEO (July 23-Aug. 22) — Life lessons can be the most effective way to redesign how you live and what you do next. Be open to suggestions and eager to try something new. Your attitude will set the stage for a positive alternative.

ONE DANGEROUS
LEADING SITUATION

Tom Hodgkinson is a British writer who has a relaxed approach to life, letting it come to him. He said, "We no longer sing and dance. We don't know how to. Instead, we watch other people sing and dance on the television screen. Christmas, which was once a festival of active enjoyment, has turned into a binge of purely passive pleasures."

Do you agree with that?

This week we are comparing active and passive defense. The bidding is the first piece of evidence. In today's deal, look at the auction and West's hand. What should West lead against four spades?

North's three-heart response was a transfer bid, showing five or more spades and at least zero points. His three-no-trump

rebid offered a choice of games. Here South would have done well to settle for three no-trump, which has nine top tricks. But it was normal to bid four spades with such weak clubs and the potential blockage in spades.

It is very dangerous to lead around to a big balanced hand. West ought to select a trump. (A club is safe here, but I dislike leading from a jack.)

South can make his contract if he plays with mirrors, catching West in a red-suit endplay. The curious may work out the details. But declarer is likely to use his two club entries to dummy to try each red-suit finesse and go down when they both fail. He would lose one heart, two diamonds and one club.

However, if West leads actively, picking the heart four, he concedes the contract immediately.
