ASTROGRAPH

Your Birthday

SATURDAY, AUGUST 1, 2026

By Eugenia Last

Happy Birthday: Follow the rules, make plans and eliminate what no longer has meaning for you. Cutting your costs and canceling subscriptions and memberships you've outgrown will give you more time for the people and events you enjoy most. Opportunities to travel, expand your interests and to learn something new will contribute to personal growth and appreciation for life, love and happiness. Find your comfort zone, and live life your way.
LEO (July 23-Aug. 22) — Be open and reveal your feelings, intentions and long-term goals. Start a buzz that infiltrates your circle, and the feedback you receive will help you get your plans underway.
VIRGO (Aug. 23-Sept. 22) — Focus on relationships, equality and making ends meet. Trust your instincts, and pay attention to detail, spending and how you look and feel. Trying to do too much all at once will not meet your standards.
LIBRA (Sept. 23-Oct. 23) — Push your way forward with discipline and devotion. Keep your plans to yourself until you are confident that success will follow. Change is necessary, and good timing is essential if you want to come out on top.
SCORPIO (Oct. 24-Nov. 22) — Check out what your adversaries are doing. Keeping a tight budget and using your intelligence to attract positive attention will help you gain respect and the attention of those in a position to help.
SAGITTARIUS (Nov. 23-Dec. 21) — Review your contracts, medical records and investments. Keep your emotions under control and your person-

al information to yourself. Don't trust anyone who asks too many questions.
CAPRICORN (Dec. 22-Jan. 19) — Put together a plan that will keep you safe from those trying to take advantage of you. A joint venture may intrigue you, but you are better off not committing to anything that entails trust and shared expenses.
AQUARIUS (Jan. 20-Feb. 19) — Keep the momentum flowing, take responsibility for yourself and your happiness, and participate in social events that will reunite you with someone special.
PISCES (Feb. 20-March 20) — Sit tight and see what transpires before you implement changes that can affect your lifestyle. Refuse to let an emotional situation steal your joy. Anger solves nothing.
ARIES (March 21-April 19) — A disciplined approach will pay off. Having high energy, coming up with innovative ideas and investing in yourself, your lifestyle and your home will be an experience that will open doors to new beginnings.
TAURUS (April 20-May 20) — You need time to rejuvenate and to rethink how you want to move forward. Acting in haste will end in disappointment. Listen to your heart and pursue what's meaningful to you.
GEMINI (May 21-June 20) — Manage your time and money carefully. Don't let anyone take advantage of you. Stick to what and who you know and trust, and say no to anyone trying to sell you something you don't need.
CANCER (June 21-July 22) — By expressing your feelings and considering the response you receive, you'll discover how you can bring about positive domestic changes that bring you closer to loved ones.

ONE SPADE STOPPER
OR TWO, DECLARER?

George Whitefield, a renowned preacher in England and the American colonies who died in 1770, said, "Press forward. Do not stop, do not linger in your journey, but strive for the mark set before you."
In yesterday's deal, I mentioned the Rule of Seven, which a declarer in a no-trump contract might find useful. If he has one top-trick stopper (typically the ace, but maybe the king if third hand takes the first trick with the ace), he adds together the number of cards in the suit led that are in the dummy and his hand. He subtracts the total from seven and holds up for that number of rounds.
Does that apply to this deal? South is in three no-trump. West leads his fourth-highest spade and East puts up the queen.
Declarer starts with seven top

tricks: one spade, one heart, four diamonds and one club. The other two winners can come from clubs. But if the club finesse is losing, is South in any danger?
In yesterday's deal, the club finesse was into the East hand. If South had won the first trick with his spade ace, East would have won with his club king and returned a spade through South's jack-nine, giving West four tricks in the suit for down one.
Here, though, the finesse is into the West hand. South has two spade stoppers if he takes the first trick, crosses to dummy with a diamond, and runs the club 10. Yes, West wins that trick, but he cannot cash out the spades.
If South ducks trick one, though, East can lead his remaining spade, establishing West's suit while West has the club king as an entry.
