ASTROGRAPH

Your Birthday

FRIDAY, OCTOBER 30, 2026

By Eugenia Last

Happy Birthday: Gather information and forge ahead. You have plenty to gain if you think, react and complete your mission. Keep life simple and your head clear. Refuse to let the chaos going on around you complicate matters. Let your intuition guide you. Allow accuracy, precision and compassion to lead you down a humble path that offers peace of mind, gratitude and the foresight to establish and create the best version of yourself.

SCORPIO (Oct. 24-Nov. 22) — Conquer your fears. Thrive and survive. Let go of the past and embrace the future with passion, intent and a positive attitude. Simplify, minimalize and protect what's vital to acquiring the lifestyle you desire.

SAGITTARIUS (Nov. 23-Dec. 21) — Look at the possibilities, learn from experience and apply what you know to get what you want. Build momentum and stylize your plans to fit demands, and don't stop until you are happy with the path unfolding.

CAPRICORN (Dec. 22-Jan. 19) — Protect yourself against injury, illness and influences trying to tempt you. Use your intelligence to adjust your skills and experience to suit positions that are in demand and of interest.

AQUARIUS (Jan. 20-Feb. 19) — Pump up your appeal, open doors and let go of the past. Refuse to let someone else's dream become your own. Be yourself, and discover what makes you excited about life, love and finding your bliss.

PISCES (Feb. 20-March 20) — Put more emphasis on earning, investing and taking care of your responsibilities. Achieve the life you want. Aspire to use your skills, attributes and connections to parlay your desires into something tangible.

ARIES (March 21-April 19) — Be silent, observant and careful about what you sign up for. Expect someone to ask for too much, and consider replying with how-to instructions, not hands-on help. Call the shots.

TAURUS (April 20-May 20) — Show compassion. Open a dialogue and share your thoughts, feelings and solutions. Addressing matters before they spin out of control will help you manage your life and the outcome of events you pursue.

GEMINI (May 21-June 20) — You may crave change, but look around you and see if your counterparts are on the same page before you ignite the fuse. Timing is critical when dealing with others.

CANCER (June 21-July 22) — Criticism requires thought, patience and awareness of what your choices will cost financially and physically. Get out, observe, test what's available and make decisions based on facts and figures.

LEO (July 23-Aug. 22) — Refuse to let emotions disrupt your plans, your thoughts or the decisions you make. Discipline and ingenuity will be necessary if you want to dodge negativity or poor choices.

VIRGO (Aug. 23-Sept. 22) — Check your moral obligations and how to maintain your status quo without loss. Study the details, and use your intelligence to gain control. Knowing how to treat people will help seal a deal.

LIBRA (Sept. 23-Oct. 23) — If you want the edge, fight for it. Your biggest concern will be laziness. Plan to go above and beyond the call of duty if you want to win. Refuse to let emotional differences stand between you and getting ahead.

SHORT SUITS COUNT WITH A GOOD FIT

W.C. Fields said, "My illness is due to my doctor's insistence that I drink milk, a whitish fluid they force down helpless babies."

Hand strength is a fluid, not static, value. Look at the North hand and the start to the auction. What should North rebid over two diamonds, if anything?

A hand starts with a certain number of high-card points, but its value may decrease, remain constant or increase as the auction progresses. The relevant factor in this deal is North's short suit once the diamond fit becomes known.

At the table, North passed over two diamonds. That was much too cautious. North at the very least owed his partner a raise to three diamonds. Then South, with a known nine-card fit, would probably have continued with four clubs as a gametry, highlighting his heart shortage. North would have raised to five clubs, and South would have retreated to five diamonds.

Maybe West would have started the defense with two rounds of trumps. South would win, cash his two club winners and the spade ace (discarding a heart from the dummy), ruff a spade, cash the club king, and claim when the suit splits 3-3.

Instead, suppose West leads a low heart, East wins with his eight and returns a low heart. South ruffs, unblocks his two club honors, and leads a trump. With the favorable breaks, the contract cannot be touched.

Yes, South could easily face worse distribution, but even so, it is worth going for the game bonus.
