ASTROGRAPH

Your Birthday

SATURDAY, OCTOBER 10, 2026

By Eugenia Last

Happy Birthday: Choose to make hard decisions and to ask yourself tough questions. Put your time and energy into learning and taking advantage of opportunities that come your way. No more procrastinating. Take a leap of faith, follow your heart and engage. Only you know what's best for you; refuse to let outside interference stand in your way. Seize the moment. Live life your way.

LIBRA (Sept. 23-Oct. 23) — Distance yourself from people using pressure tactics to entice you into something dubious. Be adamant regarding what you will and won't do, and turn your focus on more productive pastimes.

SCORPIO (Oct. 24-Nov. 22) — Sit back and observe. Refuse to let anyone goad you into a debate or push you into something you don't want to do. Focus inward on how you can look and do your best.

SAGITTARIUS (Nov. 23-Dec. 21) — Get out, mingle and entertain, and you'll connect with someone of interest. Put more thought into investments, staying fit and making your living space more accommodating.

CAPRICORN (Dec. 22-Jan. 19) — Stick close to those you know and trust. Don't engage in costly ventures or let temptation set in and overindulgence take over. Gather information and verify facts.

AQUARIUS (Jan. 20-Feb. 19) — When one door closes, another opens. Put a plan and a budget in place, and attend events that offer insight into new possibilities and friendships. Avoid health or financial risks.

PISCES (Feb. 20-March 20) — Staying on top of what's possible and budgeting for what you want will save you from making a hasty decision that can put you in debt or harm's way. Take time to rest.

ARIES (March 21-April 19) — Be true to yourself. Follow your dreams, and take responsibility for how your life unfolds. Choose to mix business with pleasure by selecting a path that makes you feel alive.

TAURUS (April 20-May 20) — Avoid letting stubbornness get in your way. Look at situations, assess how you feel and distance yourself from what disturbs you. Arguing with someone who will never agree with you is a waste of time.

GEMINI (May 21-June 20) — Get ready to take flight. Whether it's a small change or a big one, embrace life with gusto and enjoy the ride. Fill your day with people and projects that make you feel good about life.

CANCER (June 21-July 22) — Emotional havoc will be present. Don't assume anything. When in doubt, ask direct questions, show concern and be honest with those you are dealing with. Don't jeopardize your reputation.

LEO (July 23-Aug. 22) — Keep life simple, stick to the truth and be a good influence for others. Domestic problems will arise if compromise isn't made. Try to see both sides of whatever situation you face.

VIRGO (Aug. 23-Sept. 22) — Reach out with a kind word or gesture. How you treat others will set standards and boundaries with those you encounter. A job offer won't fulfill your needs. Get what you want in writing before you commit.

THE DANGEROUS NO-COST PLAY

Marcel Proust, a French author best known for his novel "In Search of Lost Time," said, "If a little dreaming is dangerous, the cure for it is not to dream less but to dream more, to dream all the time."

At the bridge table, you must "dream" of the best bids and plays. Sometimes they will seem to be dangerous, but bridge is not a game for cowards. If a bid or play looks best, go for it and ignore the torpedoes!

In today's deal, East has to try to defeat four hearts. West leads the club queen. South wins with dummy's king, draws three rounds of trumps (West following throughout), and shifts to the spade king from an initial holding of king-doubleton. What should East do after winning with his spade ace?

South's two-heart rebid showed at least a six-card suit and a minimum opening, usually 12-14 high-card points.

South can see 11 winners: three spades, six hearts and two clubs. But he might lose four tricks: one spade and three diamonds. However, when East gets in with his spade ace, leading away from the diamond K-J looks dangerous, and many players always return their partner's suit (although that is much less likely to be right in a suit contract than in no-trump). Here, though, East should realize that leading back a club won't defeat the contract. Also, from the bidding, South cannot have the diamond ace to go with his spade king and heart A-K-Q. East must shift to the diamond three, which works like a dream.

Count high-card points to place unseen honors.
