ASTROGRAPH

Your Birthday

FRIDAY, NOVEMBER 6, 2026

By Eugenia Last

Happy Birthday: Make plans, set goals and put a budget in place. Consider changes this year that further your agenda. Network, learn and share your vision with people who can offer insight into what you want to pursue. Too much too fast will be your downfall. Start small and build momentum. Trust your instincts, research and stick to your budget. Look for tax cuts, incentives and anything else that helps you reach your goal.

SCORPIO (Oct. 24-Nov. 22) — Satisfy your needs first. Don't bend to the demands of those who dictate instead of doing for themselves. Size up situations, know what you want and put your plans in motion.

SAGITTARIUS (Nov. 23-Dec. 21) — Create breathing room and a space to learn, grow and find your bliss. It's time to expand your mind, to let go of the past and to explore new possibilities.

CAPRICORN (Dec. 22-Jan. 19) — Take control instead of being controlled. Problems will arise if you give someone carte blanche to make decisions for you. Reiterate what you want, and get agreements in writing.

AQUARIUS (Jan. 20-Feb. 19) — Change requires time, energy and forethought. Don't veer off track trying to please others when it's you who needs to be comfortable with what unfolds. Meet-and-greet events are in your best interest.

PISCES (Feb. 20-March 20) — Check expiration dates, sign documents, renew contracts and tend to medical issues. Being on top of personal and financial matters will put your mind at rest. Take time to have heart-to-heart conversations.

ARIES (March 21-April 19) — Evaluate your relationships with others. Size up what and who you have time for, and adjust your plans to suit you. An investment or financial change you implement will pay off.

TAURUS (April 20-May 20) — Simplify your plans. Living within your means and taking care of responsibilities will encourage you to avoid temptation and those who pressure you to indulge in something that benefits them more than it does you.

GEMINI (May 21-June 20) — Live, learn and prosper. Take your attributes, beef up your qualifications and apply for positions that pay you to do something you enjoy. Put some muscle behind home-improvement projects.

CANCER (June 21-July 22) — Think before you act. Problems will arise if you don't fact-check. Don't assume everyone is on the same page as you. Someone will take advantage of you if you believe everything you hear.

LEO (July 23-Aug. 22) — Choose your words wisely and make a difference. Anger solves little, but common sense, healthy alternatives and a positive attitude will improve the outcome. Romance is on the rise, and a lifestyle change looks inviting.

VIRGO (Aug. 23-Sept. 22) — Estimate the cost involved before you commit to invest, donate or participate in a joint venture. Having an open discussion with someone will shed light on potential losses. Don't give in to someone.

LIBRA (Sept. 23-Oct. 23) — and your conscience help you make the right decision. Discipline, ingenuity and creativity will help you bring about positive changes at home or through educational pursuits.

GIVE UP ONE TO ASSURE THREE

Elliott Erwitt, an American photographer who was born in Paris, said, "It's almost embarrassing, but I do have one trick for taking portraits on commission. I carry one of these little bicycle horns in my pocket, and once in a while, when someone is sour-faced or stiff, I blow my horn. It sort of shatters the barriers. It's silly, but it works."

A successful bridge player has trick-one tricks: Stop and think, count winners and losers, and choose a plan of campaign. They are not silly and they work.

Try them on this deal. South is in three no-trump and West leads the spade queen. What should declarer do?

Especially if you open two no-trump with only 20 or 21 points, that South hand is worth a two-club opening because it has so many aces and kings. (If you count two points for an ace and one for a king, an average two-no-trump opening has seven points. This one has nine.)

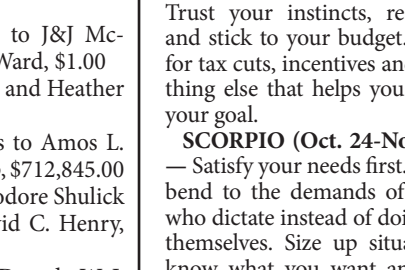

South has seven top tricks: two spades, two hearts, one diamond and two clubs. So, if declarer can get three diamond tricks, the contract will be home. But he has to realize that the finesse is a mirage. Suppose South takes the first trick with dummy's spade ace, runs the diamond queen, and the finesse wins. South gets only two tricks from the suit and will also need clubs to break 3-2.

Instead, declarer should be willing to sacrifice one diamond trick to get three in return. He should win the first trick with his spade king, cash his diamond ace, and play another diamond. Even if he wins that second diamond trick, he plays the suit again and must succeed.
