AN ORDINANCE OF THE TOWNSHIP OF WHITE, COUNTY OF INDIANA, COMMONWEALTH OF PENNSYLVANIA, REGULATING THE STORAGE AND MAINTENANCE OF ABANDONED, JUNKED, INOPERABLE, AND NUISANCE MOTOR VEHICLES IN THE TOWNSHIP TO ADDRESS SAFETY HAZARDS, PREVENT BLIGHT AND PROPERTY DETERIORATION, AND PROTECT THE HEALTH, SAFETY, AND WELFARE OF TOWNSHIP RESIDENTS.

§ 299-1. Purpose.

The purpose of this chapter is to regulate the accumulation and storage of junk motor vehicles and nuisance motor vehicles in order to minimize safety hazards created by the same, to prevent blight and property deterioration, to prevent nuisances, to protect property values, and to otherwise protect the general health, safety and welfare of the citizens of the Township.

§ 299-2. Definitions.

As used in this chapter, the following terms shall have the meanings indicated:

ABANDONED OR JUNKED MOTOR VEHICLE OR MOTORCYCLE — Any motorized device in, upon or by which any person or property is or may be transported or drawn upon a public highway, including trailers and semitrailers designed for use with such vehicles, and which are required to be registered by the Pennsylvania Motor Vehicle Code under 75 Pa.C.S.A. § 1301, and which is not in working order, and which has been stored or kept outside of an enclosed building for a period in excess of 15 days.

DISMANTLED OR PARTIALLY DISMANTLED VEHICLE — Any motor vehicle or part thereof, as defined in the Vehicle Code of the Commonwealth of Pennsylvania, which has been rendered inoperable because a part or parts has or have been removed therefrom.

INOPERABLE — As applied to motor vehicles under this chapter: A motor vehicle that does not have the required number of wheels or tires, does not have one or more of its doors or windows, does not have an engine or does not have a battery, or lacks any part which is necessary to self-propel it.

MOTOR VEHICLE — A vehicle which is self-propelled, except one which is propelled solely by human power or by electric power obtained from overhead trolley wires but not operated upon rails.

NUISANCE MOTOR VEHICLE — Any condition of a motor vehicle which shall constitute a threat or potential threat to the health, safety or welfare of the residents of the Township of White.

ON-SITE UTILITY VEHICLE - An abandoned or junked motor vehicle used on a specific property for plowing snow, hauling firewood, moving goods or equipment, and other similar property maintenance or operational activities.

OR PARTS THEREOF — When used in the clause with "abandoned or junked vehicles" or "dismantled or partially dismantled vehicles," the term shall mean a component of a vehicle, including but not limited to bumpers, doors, fenders, tires, windows or windshields, motors, transmissions, axles or suspension frames, chassis, or any other component of a vehicle which is either wrecked, discarded, dismantled, partially dismantled or inoperable, as well as including pieces or portions thereof.

PRIVATE PROPERTY or PRIVATE PREMISES — Real property which belongs to or is owned, controlled or used by any person, association, partnership, firm or corporation, whether owned or leased, and not constituting public property.

PUBLIC PROPERTY — Real property which is owned by a municipal or governmental entity, though not necessarily a place devoted solely to the uses of the public, but shall include any public street, highway, road, alley, bridge, park, playground, , public building or similar place within the Township of White which is open to the public or to which the public or a substantial group has access. This includes any and all streets, sidewalks, boulevards, alleys or other public ways and any and all public parks, squares, spaces, grounds and buildings.

SALVOR — A person engaged in the business of acquiring abandoned vehicles for the purpose of taking apart, recycling, selling, rebuilding or exchanging the vehicle or parts thereof.

SCREENED — The use of any natural objects, plantings, embankments, fencing, walls or structures, or a combination of any of these, which will effectively hide any junked or abandoned vehicle, dismantled or partially dismantled vehicle, or parts thereof, so as not to be visible from the highway or abutting properties at all times of the year or by an occupant of a motor vehicle viewing from a height of four and one-half (4½) feet above the pavement.

VALUELESS EXCEPT FOR SALVAGE — A vehicle which is inoperable or unable to meet the vehicle equipment and inspection standards under Part IV (relating to vehicle characteristics) of the Vehicle Code of the Commonwealth of Pennsylvania, 75 Pa.C.S.A. § 4101 et seq., to the extent that the cost of repairs would exceed the value of the repaired vehicle. The term does not include a vehicle which would qualify as an antique or classic vehicle under the Vehicle Code except for its lack of restoration or maintenance. A vehicle which is inoperable or unable to meet the vehicle equipment and inspection standards of Part IV (relating to vehicle characteristics) to the extent that the cost of repairs would exceed the value of the required vehicle shall be presumed to be valueless except for salvage, but the presumption is rebuttable by a presumption of the evidence.

VEHICLE SALVAGE YARD — Any land or structure which a salvor uses for a salvaging operation of two or more unlicensed, inoperative vehicles. Salvaging includes the storage and sale of vehicular parts or vehicles.

VEHICLE — Every device in, upon or by which any person or property is or may be transported or drawn upon a highway, except devices used exclusively upon rails or tracks. - B. Vehicles and equipment used or to be used in construction or in the operation or maintenance of highways or public utility facilities which are left in a manner which does not interfere with the normal movement of traffic shall not be considered to be abandoned.

§ 299-4. Storage of inoperable motor vehicles.

Any person, owner or lessee who has an abandoned or junked vehicle, dismantled or partially dismantled vehicle, wrecked, junked, discarded or an otherwise inoperable motor vehicle, or a vehicle valueless except for salvage, or parts thereof, may store such vehicle(s) in the Township only in strict compliance with the regulations provided herein.

§ 299-6. Relocation of cited vehicles prohibited.

After a warning is issued or a citation filed, it shall be unlawful for any person to relocate an abandoned or junked vehicle, dismantled or partially dismantled vehicle, or a vehicle valueless except for salvage, or parts thereof, to another location in the Township of White unless in full compliance with this chapter.

§ 299-8. Covering of abandoned or junked vehicle or parts thereof.

Covering or draping a tarpaulin, or similar covering over an abandoned or junked vehicle, a dismantled or partially dismantled vehicle, or a vehicle valueless except for salvage, or parts thereof, is not an abatement of a violation of this chapter and does not constitute compliance with this chapter.

§ 299-9. Nuisance motor vehicles prohibited.

It shall be unlawful for any person, owner or lessee to have, keep, store, accumulate, maintain or keep any abandoned or junked motor vehicle or any motor vehicle nuisance upon the open private grounds of any owner or lessee within the Township, unless stored in compliance with 299-4 of this ordinance A motor vehicle nuisance shall include any motor vehicle which is:

§ 299-10. Waiver For Certain Vehicles

- A. Waiver for On-Site Utility Vehicles - The Enforcement Officer may grant a waiver for on-site utility vehicles (see definition in § 299-2) which would otherwise be considered an abandoned or junked vehicle by § 299-2 of this Ordinance. An on-site utility vehicle as defined in § 299-2 which is stored inside a building when not in use is not regulated by this Ordinance and does not require a waiver.
