# Big Changes. Even Better Shopping.

We've made some exciting changes at Theisen's of Indianola to make your shopping experience even better.

We opened up our seasonal area and added more aisle space around the racetrack, making it easier to shop and find what you need. All of our Hardware products are now together in one convenient area, and our Farm department has been expanded with an even greater selection to better serve our local farming community.

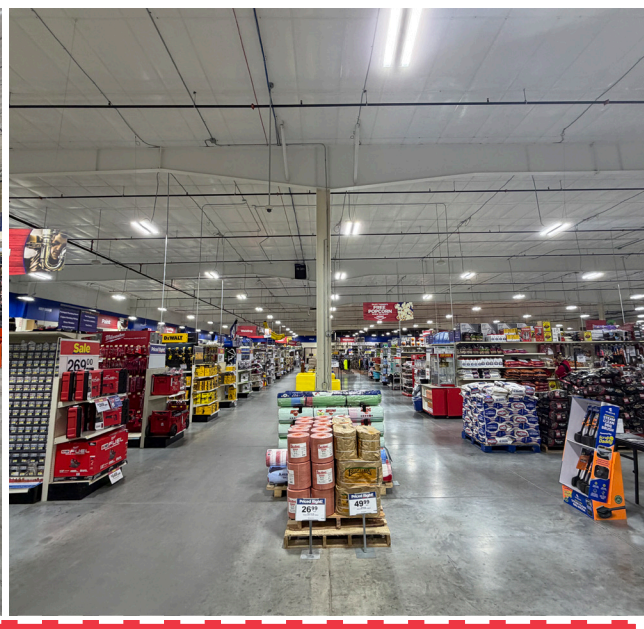

Stop in and see what's new! Come explore the updated store, check out our expanded selection, and experience the changes we've made with you in mind.

We look forward to seeing you soon at Theisen's of Indianola!
