

**Example One - Winter**

Electric Usage: 500kWh

Previous Bill: \$59.64

New Bill: \$62.56

Increase: \$2.92**Example Two - Summer**

Electric Usage: 1200kWh

Previous Bill: \$147.12

New Bill: \$154.32

Increase: \$7.19**Example One**

Water Usage: 1,600 gallons

Prev. Bill: \$12.94

New Bill: \$14.75

Increase: \$1.81**Example Two**

Water Usage: 3,800 gallons

Prev. Bill: \$26.35

New Bill: \$29.15

Increase: \$2.80

NOTICE OF RATE CHANGE

On March 28th the IMU Board of Trustees approved a rate increase for water and electric services to meet the rising costs associated with providing and maintaining systems that serve Indianola customers.

Your May invoice will reflect an electric rate increase of 4.9%. Water base rates will increase \$1.25/month and \$0.50 per thousand gallons.

Careful consideration was given to the impact these rate changes would have on residents and businesses. To the left are usage examples of how a residential customer's bill will change.

If you have questions regarding rates please contact us at
(515) 961-9444, Option 2
or email us at
utilityservices@indianolaiowa.gov.
