

A SPEAKER

IT'S IS THE TELEPHONE! NEXT, IT IS IN A
RECTANGLE. IT HAS WIRES. FINALLY, IT IS TALL.

IT ABUOWT THE TELEPHONE

It about Alexander graham bell. next it was made on June 2, 1875. It was made in it was made in MIT.

It uses wires. Next electricity. Next it uses microphone. It uses us and voice.

If we didn't have it we wood haft to travel. Next what if we could't travel.

IT is the telephone. Next it was made on June 2, 1875. Next the man who made it was name is Alexander graham bell.

IN FACT HE WAS BORN ON MARCH 3. NEXT HIS MOM WAS DEAF. FINALLY HE WAS THE MIDDLE.
