Re: Notice of Ceased Utilization of the Dade-Collier Training and Transition Airport (TNT)

Dear Mayor Levine Cava,

On June 23, 2025, the Florida Division of Emergency Management (the "Division") notified your office that the Division intended to utilize the Dade-Collier Training and Transition Airport, located at 54575 Tamiami Trail E, Ochopee, Florida, 34141 (the "Property"), pursuant to Governor DeSantis's emergency powers under section 252.36(6)(b) and (i), Florida Statutes, and delegated to me as the State Coordinating Officer in Executive Order 23-03. Our mission at the Property is complete and the Division is ready to return control of the Property to Miami-Dade County (the "County"). I understand the County plans to inspect the Property on Tuesday, August 11, 2026. The Division will accompany the County for that inspection and return control of the Property at the end of the day.

I appreciate your support of statewide emergency operations and your commitment to our shared mission to safeguard the people of Florida. Should you have any questions, please do not hesitate to contact my office.

Thank you for your partnership.

Sincerely,

Kevin Guthrie
