

VILLAGE OF KEY BISCAIYNE

MEMORANDUM

Village Council
Joe I. Rasco, Mayor
Franklin H. Caplan, Vice Mayor
Edward London
Allison McCormick
Brett G. Moss
Oscar Sardiñas
Fernando A. Vazquez

DATE: August 29, 2023
 TO: Honorable Mayor and Councilmembers
 FROM: Steven C. Williamson, Village Manager
 RE: Resolution Modifying the Stormwater Utility Fee

Village Manager
Steven C. Williamson

RECOMMENDATION

I recommend that Village Council authorize the Village Manager to modify the Stormwater Utility Fee.

BACKGROUND

On June 22, 1993, the Village passed Ordinance 93-11 to provide for the collection, storage, treatment and conveyance of stormwater within the Village. Pursuant to Chapter 166 and Section 403 of the Florida Statutes, the Village is authorized to construct, reconstruct, repair, improve and extend stormwater drainage management systems and to establish just and equitable rates, fees and charges for the services and facilities provided by the stormwater system. The fees have been modified over the years as follows:

<u>Resolution</u>	<u>Date</u>	<u>Monthly Rate / ERU</u>
1993-46	Oct-1993	\$ 5.00
2011-04	Mar-2011	\$ 8.90
2019-60	Sep-2019	\$ 16.90

On December 8, 2020, the Village passed Ordinance 2020-08 amending Section 29-5 of the Village Code to allow the Village to utilize the Uniform Method to levy, collect, and enforce non-ad valorem assessments pursuant to Section 403.0893(3) as provided for in Section 197.3632 of the Florida Statutes.

On August 24, 2022 The Village passed Ordinance 2022-05 transitioning from an Equivalent Residential Unit (“ERU”) methodology for allocating stormwater utility fees among properties in the Village to a two part allocation methodology (the “Stormwater Ordinance”).

The first part of the methodology is for the Base Fee which relates to roadways, sidewalks, and other governmental public areas. This area accounts for 14.34% of the total Impervious Area of the Village. This portion is then apportioned to each parcel based on the estimated number of trips generated by such parcel based on land use, as provided in the Stormwater Ordinance.

VILLAGE OF KEY BISCAIYNE

The Base Fee that is based on 14.34% of the annual cost for Stormwater Utility and allocated to each Developed Property is based upon trip generation. With respect to the calculation of the annual Base Fee, there is an estimated total average daily trip generation within the Village of 63,227. The Stormwater Ordinance provides that the average daily trip generation shall be calculated for all Developed Property within the Village as follows:

- (1) For each Single Family Residential Property Dwelling Unit the average daily trip generation is 9.43 trips.
- (2) For each Multifamily Residential Property Dwelling Unit the average daily trip generation is 4.54 trips.
- (3) For each Non-Residential Developed Property per 1,000 square feet of non-residential building space the average daily trip generation is 21.00 trips

The second fee is a Parcel fee using impervious square feet area of developed properties because permeability characteristics vary widely among single family, multi-family, and commercial properties. The Parcel Fee is allocated to the areas not relating to roadways, sidewalks, and governmental properties and accounts for 85.66% of the total Impervious Area of the Village. This charge is apportioned to each parcel based on such Developed Property's Impervious Area calculated as set forth in the Stormwater Ordinance.

The Parcel fee is a rate per impervious area as calculated in the Stormwater Ordinance.

Impervious Area square feet shall be calculated for all Developed Property within the Village as follows:

- (1) For each Single Family Residential Property that contains a Dwelling Unit, the amount Impervious Area square feet contained in each parcel.
- (2) For each Multi-family Residential Property Dwelling Unit, first determine the total amount of Impervious Area square feet of the Multi-family Residential Property; then determine the amount of living area square feet, as identified by the Miami-Dade County Property Appraiser, for each Dwelling Unit within the Multi-family Residential Property; and finally apportion the Impervious Area square feet of the Multi-family Residential Property amongst each Dwelling Unit on a pro-rata basis to determine the Impervious Area square feet apportioned to each Dwelling Unit.
- (3) For each Nonresidential Developed Property the amount of Impervious Area square feet contained in each parcel.

The existing rates which incorporate both the Base Fee & Impervious Square Footage fee are below:

VILLAGE OF KEY BISCAIYNE

	Monthly Fee		Annual Fee	
	Base Charge	Imperv. Sq Ft	Base Charge	Imperv. Sq Ft
Single Family	\$ 3.42	\$ 0.0088	\$ 41.03	\$ 0.1059
Multi-Family	\$ 1.65	\$ 0.0088	\$ 19.75	\$ 0.1059
Non-Residential	\$ 7.61	\$ 0.0088	\$ 91.37	\$ 0.1059

On January 17, 2023 The Village was awarded FDEP's CWSRF low-interest planning loan in the amount of \$870,000 for the K-8 infrastructure project. Due to a needed increase in operational, maintenance, personnel costs and servicing the debt of the loan, the Village is recommending a 15% increase to the existing fee structure. As a result of the 15% increase, the fees would be as follows:

	Monthly Fee		Annual Fee	
	Base Charge	Imperv. Sq Ft	Base Charge	Imperv. Sq Ft
Single Family	\$ 3.93	\$ 0.0101	\$ 47.19	\$ 0.1218
Multi-Family	\$ 1.89	\$ 0.0101	\$ 22.72	\$ 0.1218
Non-Residential	\$ 8.76	\$ 0.0101	\$ 105.08	\$ 0.1218

RESOLUTION NO. 2023-_____

A RESOLUTION OF THE VILLAGE COUNCIL OF THE VILLAGE OF KEY BISCAZYNE, FLORIDA, RELATING TO THE PROVISION OF A STORMWATER MANAGEMENT SYSTEM WITHIN THE VILLAGE; PROVIDING FOR AUTHORITY, DEFINITIONS, AND INTERPRETATION; ESTABLISHING THE METHOD BY WHICH THE PROPOSED STORMWATER UTILITY FEE SHALL BE CALCULATED; STATING THE ESTIMATED COST OF PROVIDING A STORMWATER MANAGEMENT SYSTEM, THE INITIAL RATE AND THE MAXIMUM RATE FOR THE PROVISION OF THE STORMWATER MANAGEMENT SYSTEM; PROVIDING FOR LEVY AND IMPOSITION OF A STORMWATER UTILITY FEE; CONFIRMING THE INITIAL RATE RESOLUTION; ESTABLISHING THE METHOD BY WHICH THE PROPOSED STORMWATER UTILITY FEE SHALL BE MADE; PROVIDING FOR EQUALIZATION, FILING, AND LIEN ON PROPERTIES TO BE ASSESSED; PROVIDING FOR EFFECT OF ADOPTION OF FINAL ASSESSMENT RESOLUTION; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the Village of Key Biscayne (the “Village”) is a municipality located along Biscayne Bay in Miami-Dade County, Florida; and

WHEREAS, on June 22, 1993, the Village Council adopted Ordinance 93-11, establishing the Village’s stormwater utility, which is codified in Chapter 29 of the Village’s Code of Ordinances (the “Stormwater Ordinance”); and

WHEREAS, the Village retained Raftelis Financial Consultants, Inc. (the “Rate Consultant”) to perform a stormwater rate analysis to review the existing rate structure; and

WHEREAS, the Rate Consultant has provided it’s 2022 Stormwater Fee Analysis dated March 8, 2022 to the Village, as supplemented on June 7, 2022, (collectively, the “Final Stormwater Fee Report”); and

WHEREAS, on August 24, 2022, the Village enacted Ordinance 2022-05, which amended the Stormwater Ordinance to provide for an adjustment to the methodology and allocation of Stormwater

Utility Fees in accordance with the Final Stormwater Fee Report and to provide for appeals and adjustments to the Stormwater Utility Fees; and

WHEREAS, the Village Council desires to provide for a new Stormwater Utility Fee containing a Base Fee with respect to the Stormwater Management System relating to roadway and sidewalks allocated based upon a Rate Per Trip and a Parcel Fee based upon the Impervious Area relating to such Developed Property and to collected such Stormwater Utility Fee commencing with the “Fiscal Year” beginning on October 1, each year and ending on September 30 of the following year (Fiscal Year 2023-2024), on the property tax bill as authorized by Section 197.3632, Florida Statutes (the “Uniform Collection Act”), and Section 29-5 of the Code utilizing the tax bill issued in November 2023 and continuing each Fiscal Year until the Village decides otherwise; and

WHEREAS, in order to provide for anticipated increases in the cost of providing Stormwater Management System over the years, including expansion of additional Stormwater Infrastructure (as defined in the Stormwater Ordinance), a Maximum Rate for the Rate Per Trip and a Maximum Rate for the Rate Per Impervious Area shall be determined herein; and

WHEREAS, on July 18, 20223, the Village Council adopted Resolution No. 2023-37 (the “Initial Rate Resolution”) establishing the imposition of a Stormwater Utility Fee for the Stormwater Management System on all Developed Properties within the Village; and

WHEREAS, the Initial Rate Resolution authorized, pursuant to the Uniform Collection Act, the collection of such Stormwater Utility Fees on the property tax bill (the “Uniform Method”), commencing with the tax bill issued in November 2023; and

WHEREAS, the Initial Rate Resolution contains and references a brief and general description of the Stormwater Management System; describes the method of equitably allocating and apportioning the cost of the Stormwater Management System to the Developed Properties to compute the

Stormwater Utility Fees, as described herein; establishes the Rate per Trip and the Rate Per Impervious Area; directs the preparation of the Preliminary Assessment Roll and provides for public notice required by the Uniform Collection Act; and

WHEREAS, in order to impose the Stormwater Utility Fees for the Fiscal Year beginning October 1, 2023, the Stormwater Ordinance and the Uniform Collection Act requires the Village Council to adopt a Final Rate Resolution which establishes the initial rates and maximum Rate per Trip and Rate Per Impervious Area and approves the Final Assessment Roll, with such amendments as the Village Council deems appropriate, after hearing comments and objections of all interested parties; and

WHEREAS, the Final Assessment Roll has heretofore been made available for inspection by the public, as required by the Stormwater Ordinance and the Uniform Collection Act; and

WHEREAS, notice of a public hearing has been published and mailed as required by the terms of the Stormwater Ordinance and the Uniform Collection Act which provides notice to all interested persons of an opportunity to be heard; an affidavit regarding the form of notice mailed being attached hereto as Exhibit "A" and the proof of publication being attached hereto as Exhibit "B"; and

WHEREAS, a public hearing was held on August 29, 2023 and comments and objections of all interested persons have been heard and considered as required by the terms of the Stormwater Ordinance and the Uniform Collection Act; and

WHEREAS, any and all complaints as to the Rate per Trip, the Rate Per Impervious Area, the individual Developed Properties Base Fee and Parcel Fee have been considered by the Village Council meeting for the purpose of considering the equalization of individual assessments; and

WHEREAS, the Village Council finds that this Resolution is in the best interest and welfare of the residents of the Village.

NOW, THEREFORE, BE IT RESOLVED BY THE VILLAGE COUNCIL OF THE VILLAGE OF KEY BISCAYNE, FLORIDA, AS FOLLOWS:

Section 1. **Recitals.** That each of the above-stated recitals is hereby adopted, confirmed, and incorporated herein.

Section 2. **Authority.** This Resolution is adopted pursuant to the provisions of the Stormwater Ordinance, Sections 166.021 and 166.041, Florida Statutes, the Uniform Collection Act, and other applicable provisions of law.

Section 3. **Purpose and Definitions.** This Resolution constitutes the Final Rate Resolution required by the Stormwater Ordinance to adopt the Stormwater Utility Fee. All capitalized words and terms not otherwise defined herein shall have the meanings set forth in the Stormwater Ordinance.

Section 4. **Determination of Stormwater Management System Cost.**

4.1 The annual cost shall be determined as the amount necessary to fund the cost of the Stormwater Management System allocable to Developed Properties during a Fiscal Year and shall include, but not be limited to: (A) any annual debt service payment, which includes, principal, interest, reasonable reserves and cost of issuance of the bond or note in connection with the financing of Stormwater Infrastructure, if any; (B) all costs associated with the operation of the Stormwater Management System, including repair and maintenance of Stormwater Infrastructure; and (C) all costs associated with the collection and enforcement of the Stormwater Utility Fee using the Uniform Method on the tax bill, including any service charges of the Miami-Dade County Tax Collector or Property Appraiser, and the discount for early payment of taxes (collectively, the “Annual Stormwater Management System Cost”); and

4.2 For each Fiscal Year in which Stormwater Utility Fees are imposed, the Annual Stormwater Management System Cost shall be composed of two parts consisting of those costs related

to roadway and sidewalks to be recovered by the imposition of a Base Fee and the remaining cost of the Stormwater Management System to be recovered by the imposition of the Parcel Fee.

4.3 For the purposes of Fiscal Year 2023-2024, the Annual Stormwater Management System Cost is estimated to be \$2,100,961.06. Based upon the calculations set forth in the Final Stormwater Fee Report, the Annual Stormwater Management System Cost associated with public roads, sidewalks and other governmental impervious public areas is approximately 14.34% of the total Annual Stormwater Management System Cost or approximately \$301,305.13. The total remaining amount of the Annual Stormwater Management System Cost not associated with roadways, sidewalks and other governmental impervious public areas is approximately \$1,799,655.93.

4.4 In addition to the Annual Stormwater Management System Cost as provided in section 4.3 above, it is necessary to provide for cost of collection and early payment discount under the Uniform Collection Act. An adjustment to such rate for the early discounts and fees related to the property appraiser and tax collector is to be added in the amount of 5% to provide for the cost of collection. The estimated total Annual Stormwater Management System Cost, including cost of collection is \$2,206,009.11 of which \$316,370.38 is associated with 14.34% Base Fee and the remaining amount of total Annual Stormwater Management System Cost, including cost of collections is \$1,889,638.73.

Section 5. Levy and Imposition of Assessment. Having considered all testimony provided at the public hearing and based on the findings and professional reports described in the Initial Rate Resolution, including the Final Stormwater Fee Report, the Village Council has determined that it is appropriate, advisable, and in the best interests of the Village, its residents and property owners, to levy for Fiscal Year 2023-2024, the Base Fee and the Parcel Fee in the amounts as determined by applying the Rate per Trip of \$5.0038 and the Rate Per Impervious Area of \$0.1218 and against the Developed

Properties described in the Final Assessment Roll attached as Exhibit “C” to this Resolution, and said Base Fees and Parcel Fees are hereby levied and imposed. A Base Fee Maximum Rate, which includes the cost of collection, is hereby established using a not to exceed a Rate per Trip of \$10.0075. A Parcel Fee Maximum Rate, which includes the cost of collection, is hereby established using a not to exceed a Rate Per Impervious Area of \$0.2436.

Section 6. **Confirmation of Initial Rate Resolution.** The Initial Rate Resolution, as modified, amended and supplemented herein, is hereby confirmed.

Section 7. **Collection.** The Village Manager is hereby directed to take any and all appropriate steps to provide for the collection of such Stormwater Utility Fees using the Uniform Method, commencing with the tax bill issued in November 2023. The Village Attorney is hereby authorized to initiate and maintain all proceedings necessary and appropriate to provide for the Uniform Method of collection of any and all Stormwater Utility Fees based upon the annual Rate per Trip and Rate Per Impervious Area for each Developed Property and not to exceed the Maximum Rates established herein.

Section 8. **Equalization.** Having considered all complaints as to individual Fees, the Village Council has determined that no adjustment or equalization is necessary to provide for a just and fair result.

Section 9. **Filing.** Upon adoption, this Resolution shall immediately be filed with the Village Clerk, and the Final Assessment Roll shall be filed with the Village Council, Village Clerk and the Miami-Dade Property Appraiser and Tax Collector in the manner provided in the Stormwater Ordinance and the Uniform Collection Act.

Section 10. **Effect of Adoption of Resolution.** The adoption of this Final Rate Resolution shall be the final adjudication of the issues presented (including, but not limited to, the method of

apportionment and levy, the rates of Fee, the Final Assessment Roll and the levy and lien of the Fee), unless proper steps shall be initiated in a court of competent jurisdiction within thirty (30) days from the date of adoption of this Rate Resolution.

Section 11. Revisions to Assessments. If any Stormwater Utility Fee made under the provisions of this Final Rate Resolution is either in whole or in part annulled, vacated, or set aside by the judgment of any court, or if the Village Council is satisfied that any such Stormwater Utility Fee is so irregular or defective that the same cannot be enforced or collected, or if the Village Council has failed to include or omitted any Developed Property or Dwelling Unit with respect to any Multi-family Residential Property on the Final Assessment Roll which property should have been so included, the Village Council may take all necessary steps to impose a new Stormwater Utility Fee against any such property using the Stormwater Management System following as nearly as may be practicable, the provisions of the Stormwater Ordinance and the Uniform Collection Act and in case such second Stormwater Utility Fee is annulled, vacated, or set aside, the Village Council may obtain and impose other Stormwater Utility Fees until a valid Stormwater Utility Fee is imposed.

Section 12. Severability. The provisions of this resolution are declared to be severable and if any section, sentence, clause or phrase of this resolution shall for any reason be held to be invalid or unconstitutional, such decision shall not affect the validity of the remaining sections, sentences, clauses, and phrases of this resolution but they shall remain in effect, it being the legislative intent that this resolution shall stand notwithstanding the invalidity of any part.

Section 13. Effective Date. This Final Rate Resolution shall take effect immediately upon its passage and adoption.

PASSED and ADOPTED this _____ day of _____, 2023.

HAITI

ment on whether they will make good on their offer to consider the urgent request, which has the backing of U.N. Secretary-General António Guterres.

However, should they agree to do so, the Kenyans made clear that their deployment would depend on several factors. They include a U.N. Security Council resolution and a minimum threshold of 2,000 officers to be deployed. Kenya has said it would send 1,000 of its police, leaving other countries to contribute the rest.

But the mission is stirring concerns among those who participated in the discussions as well as others who are experts on Haiti's violent history with gangs and U.N. peacekeeping operations.

"To simplify an intervention in Haiti with the secu-

rity of public buildings or airports, for me this is not effective," said a former United Nations peacekeeper who worked in Haiti with the U.N. mission that spent 13 years battling gangs and providing stability. "How do we imagine such a static force to be effective? We need to have action against the gangs."

The security expert, who asked to remain anonymous in order to speak frankly, said any multinational force going into Haiti has to have a mandate of bringing relief to the population, more than 200,000 of whom have been displaced from their homes in the last two years by armed groups, according to the U.N.

"The gangs are attacking facilities, attacking the police, killing people, forcing the displacement of people from their houses, and you don't have a plan to stop this," he said. "Amazing."

Guterres has said Haiti

needs "a robust use of force" by foreign police and military units to disarm gangs, which control most of the capital and are spreading around the country. Last month, he was asked by the U.N. Security Council to provide a report on Haiti's options to combat the armed groups. Ahead of the report, the U.N. office in Haiti met with Prime Minister Ariel Henry and presented four scenarios on how a multinational force might help. Options included the force providing logistical and operational support and helping disarm gangs through combined operations with the Haitian police. The government requested a hybrid of the two.

During the consultations with the U.N., the Haitian government reiterated that gangs were committing acts of extreme violence and human-rights abuses, and the police do not have the capacity to restore

security. Later, government ministers, including Henry, voiced concerns among themselves that just using an international force to secure critical infrastructure would not work, two people confirmed to the Herald.

Still, both Biden administration officials and the Kenyans have pressed that approach. State Department officials have said it's up to the Haitian government to define with the Kenyans how the mission should be shaped. But they've also repeatedly highlighted that a non-U.N. multinational force, such as what's being considered, would free up the Haiti National Police to focus on battling gangs while the foreign officers protect critical infrastructure.

The problem with the proposal, critics say, is that to get to the so-called critical infrastructure, the

multinational force would have to go through gang-controlled areas, even though the facilities themselves aren't technically under the control of gangs.

The proposal also does not take into account the difficult reality of the country's beleaguered police force, which less than two hours after the Kenyans left, announced a new departmental director for the Port-au-Prince region, where gangs last week invaded several neighborhoods.

Neither the police nor the Haitian prime minister's office gave a reason for the change.

The U.N. has said there were 14,295 officers on the Haitian police payroll as of June 30, but only 3,300 officers are actually on public-safety duty on any given day. Not all are engaged in anti-gang operations and no one can say

with certainty just how many officers there are in the force because many have recently left for the United States under a humanitarian-parole program.

In addition to the departures, internal tensions and corruption have helped make the force so ineffective that the population has resorted to taking justice into its own hands by forming vigilante groups to kill suspected gang members.

"What is the financial support for the gangs? It is kidnappings, smuggling, drugs, extortion. And you are not going to attack the gangs? You're not going to attack these four points?" said the former peacekeeper. "You're going to give them the freedom to continue to control Gonaives, to continue to control the neighborhoods in Port-au-Prince?"

SEE HAITI, 5A

PUBLISHED NOTICE

NOTICE OF PUBLIC HEARING TO IMPOSE AND PROVIDE FOR COLLECTION OF STORMWATER UTILITY FEE IN THE VILLAGE OF KEY BISCAZYNE

As required by Section 197.3632, Florida Statutes, notice is hereby given by the Village of Key Biscayne, Florida (the "Village") will conduct a public hearing to consider imposing an annual non-ad valorem fees for the purpose of funding the Stormwater Utility Fee to be collected using the tax bill collection method.

The public hearing will be held by Village Council at Village Hall located at 88 West McIntyre Street Key Biscayne, FL 33149 at 9:00 a.m. on September 15, 2023, or as soon as practicable thereafter, for the purpose of receiving public comment on the proposed fee. All affected property owners have a right to appear at the hearing and to file written objections with the Village Council within 20 days of this notice.

The revenue to be collected within the Village from the Stormwater Utility Fee, is estimated to be \$2,206,009.11 (including the cost of collection). The Stormwater Utility Fee is to be levied and collected in two parts. The Base Fee is being collected with respect to public roads, sidewalks and other governmental impervious public areas. The annual Base Fee is calculated by dividing each property's average daily trip generation. The Per Trip Rate of \$5.0038 is proposed to be levied. The Parcel Fee is being collected with respect to the impervious area for each developed property. The annual Parcel Fee is calculated based upon the impervious area of each developed property. A Rate Per Impervious Area of \$0.1218 is proposed to be levied. A proposed Maximum Rate Per Trip Rate of \$10.0075 and a proposed Maximum Rate Per Impervious Area of \$0.2436 is also proposed.

If you decide to appeal any decision made by the Village Council with respect to any matter considered at the hearing, you will need a record of the proceedings and may need to ensure that a verbatim record is made, including the testimony and evidence upon which the appeal is to be made.

Pursuant to Section 286.0105, Florida Statutes, if you decide to appeal any decision made by the Village Council with respect to any matter considered at the hearing or at any subsequent meeting to which the Village Council has continued its deliberations, you will need a record of the proceedings and may need to ensure that a verbatim record is made, including the testimony and evidence upon which the appeal is to be made. In accordance with the Americans with Disabilities Act, persons needing a special accommodation or an interpreter to participate in this proceeding should contact the Village Clerk, at 305-932-0744, with request for auxiliary aids or services at least two (2) business days before the meeting.

The fee will begin to be collected on the ad valorem tax bill to be mailed in November 2023, as authorized by Section 197.3632, Florida Statutes. Failure to pay the fee will cause a tax certificate to be issued against the property which may result in a loss of title. The Village Council intends to collect the fee annually.

Unless proper steps are initiated in a court of competent jurisdiction to secure relief within 20 days from the date of Village Council action at the above hearing (including the method of apportionment, the fee rate and the imposition of the fee), such action shall be the final adjudication of the issues presented. If you have any questions, please contact the Village Clerk's Office at 305-365-5506.
