### LET'S DRAW ECLIPSE DOGGY!

Get some paper, pencils or crayons and let's practice Drawing with Mark!

Eclipse Doggy is one of the Angels from the Attic!™ Let's practice drawing him!

1. Let's start with the head which is a circle.

2b. Add these shapes for the feet.

2a. Add the shape for the body.....

3. Add more tubes and ovals to create the wings, arms & hands.

4. Use more "foundation" lines and then simple shapes to create the face.

5. Add more detail and now erase your foundation lines. OR ink your drawing with marker or pen and then erase all the pencil lines. Have fun!
