

# GYDE

ARCHITECTS

**Hiring: Project Architect** We're seeking an experienced SD/PA to help lead the technical development of elevated projects in Jackson.

**What You'll Do:**

Lead projects, coordinate consultants, and carry design through documentation, QA/QC, and construction.

**Why You'll Love It Here:**

Health & dental insurance, PTO, retirement matching, plus a fun, supportive team culture.

Send portfolio and resume to [dep@gydearchitects.com](mailto:dep@gydearchitects.com).
