

THE
BISTRO

JACKSON HOLE, WYOMING

NOW HIRING:

AM Breakfast/Lunch Manager

Hospitality in motion. This is a service role first. We're looking for a morning person who loves the floor: pouring coffee, greeting guests, supporting the team, connecting with locals and making the day start beautifully.

You'll lead by doing, not by clipboard. If you believe great hospitality is active, emotional, and athletic, this role is for you. See, sense, serve.

6AM–3PM | 5 days/week | Coffee knowledge a plus

Benefits include 50% insurance coverage, vacation pay, 401k match, F&B discounts and continuing education opportunities.
