122 25th Street
Cheyenne, Wyoming, 82001

Dear Members of the Wyoming Charter School Authorizing Board,

On behalf of Lincoln County School District #2 Board of Trustees, we are writing to express our support for the application to establish a state authorized charter school in the Town of Alpine. We recognize the value of choice for students and families in their education.

We encourage the Wyoming Charter School Authorizing Board to approve the Alpine application. However, at this time, we must clarify that Lincoln County School District #2 cannot commit to any financial support or resource utilization for this initiative. This includes, but is not limited to, transportation, special education services, and food services. Our current resources are allocated to ensure that we meet the needs of our existing student population at the highest level of service.

Please be assured that while we cannot offer financial or resource support at this time, we will not inhibit the pursuit of establishing a state authorized charter school in Alpine. We understand the significance of providing choices for students and families.

Thank you for your consideration.

Sincerely,

Lincoln County School District #2, Board of Trustees

Dr. Darnell Simpson, Chairman

Jed Johnson, Vice Chairman
