Public Notification of Corrective Action Taken at Teton High School

#### **Original Press Release:**

Teton School District 401 is committed to the safety and well-being of our students, staff, and community.

A situation occurred at Teton High School. Our district takes this situation seriously, and has taken immediate corrective action and communicated with all involved parties.

This is all the information the district can provide the community at this time.

#### **Addition to Press Release: September 22, 2023**

This was an isolated incident involving personnel. There is no threat to students or staff members as this is an administrative matter.

One of our goals moving forward is to be as transparent as legally possible with our community when situations occur in our school district. We want our community to know we are always striving to do better than we have in the past.
