CONGRATULATIONS TO THE BEST

Congratulations to all the winners of the 18th Annual Johnson City Press Readers' Choice Awards. It was again another great year!

This year 192,116 votes were cast, demonstrating the wonderful connection between local businesses and their loyal customers. Also, a record 312 business and service categories drew 54,000 nominations of more than 1,181 local businesses. That's impressive by any measure.

For the Johnson City Press, wide participation in the Readers' Choice Awards validates our longstanding belief that newspapers – in whatever form readers choose to consume them – continue to service communities like no other medium. Our readers, and particularly our loyal subscribers, shop where they live and support our local economy. That's important for not only our merchants, but the tax base that supports vital local government services such as police and fire protection and local schools. We all benefit from every local dollar spent.

We extend a hearty congratulations to every nominee and winner in the 18th Annual Johnson City Readers' Choice Awards and a huge thank you to our readers who support them every day.

Sincerely,

Rick Thomason

In my integrative medical practice, I help patients identify and repair issues causing damage (inflammation) to their nervous systems.

This would include potential structural issues, dietary stressors, and infectious issues, along with the exposure to an ever-growing list of environmental toxins. In identifying and connecting what is acting to poison our nervous systems, we can treat and reverse the escalating epidemics of neuro-inflammatory illnesses.

**THANK YOU FOR
VOTING US YOUR
#1 MATTRESS
STORE**

For over 27 Years, The SleepZone Mattress Centers has been giving its customers the absolute best value and service in their mattress purchases.

Mark Matteau, the owner of The SleepZone told us "We have been voted the Best Mattress Dealer in Johnson City and Kingsport for 2019, 2020 and now 2021, and we are proud to be the highest rated mattress dealer on Google Reviews with over 1700 reviews between our Johnson City and Kingsport stores with a top ranking of 5 out of 5 stars."

"While many other mattress and furniture dealers are cutting their services or charging more for them" Mark continued, "we have increased our services over the years such as offering up to 48 months Interest Free payments as well as free local delivery, set up and haul off on every mattress purchase, no matter what the price."

The SleepZone offers major name brands like Sealy, Stearns and Foster, and Tempur-Pedic, as well as a large selection of adjustable bases for elevating the head and foot sections.

"Everyone needs a good night's sleep, but they also need good sound advice on picking out a new mattress" Mark adds. "I may be biased but I think The SleepZone Mattress Centers does it better than anyone else in the area. And if you read Google reviews, a lot of others feel the same way and we are very proud of that."

You have given us so much and we try to return the favor throughout the year. We have coat drives, canned food collections, donations of school supplies, as well as many other activities so that we may give back to the community and those in need.

You Can Always Trust the Man in the Red Truck!

Barnes Exterminating Company Inc. is proud to have been chosen as the Best Pest Control company again in this year's Johnson City Press Readers' Choice Awards!

Founded in 1986 by Scott Barnes, initially operating out of his apartment, they are proud to have grown from their humble beginnings into one of the largest pest control firms in the area. They are a Second-Generation family owned and operated company with Byron Barnes serving as President.

With offices located in both the Tri-Cities as well as a location in Knoxville TN and over 35 employees, Barnes Exterminating has the resources and personnel to handle both commercial and residential problems of any size.

President / Owner Bryon Barnes was proud to introduce their sanitizing service known as "SaniSafe." This electrostatic spray service can help to reduce bacteria, viruses and germs in your home or business. Barnes Exterminating is proud to grant this service free to first responders as a "Thank You" in the Tri-Cities area.

They also offer several different services in moisture control including: crawlspace encapsulations, dehumidifier systems, foundation ventilation, and fungus control products. Not to forget their insulation division is well equipped to handle all of your crawlspace and attic insulating needs. They also offer services of snow and ice removal during the winter months.

Barnes Exterminating Company Inc. is a member of the Tennessee Pest Control Association – Region 6, and a member of the National Pest Control Association. They are active participants in local school activities and also support local Tri-Cities sports and little leagues. Barnes Exterminating Company Inc. is a proud sponsor of the Regional Hands On Museum.
