# Women-owned businesses are thriving

Women entrepreneurs are not to be underestimated. Data affirms that women-owned businesses are growing and thriving.

According to North One banking, women-owned firms account for more than 12 million businesses in the United States. In addition, the 2024 Wells Fargo Impact of Women-Owned Business Report, in partnership with Ventureneer, Core Women and Women Impacting Public Policy, found the number of women-owned business increased at a rate of 4.5 times between 2019 to 2023. Women-owned businesses are driving economic growth, and a deeper look at some of the numbers supports that notion.

# Oakwell Animal Hospital

## WHEN DID YOU START YOUR BUSINESS?

Oakwell Animal Hospital opened its doors in Johnson City in February 2023. It's been an exciting journey so far, and we're eagerly working to open our second location in Kingsport by early next year.

# WHY DID YOU DECIDE TO BECOME A BUSINESS OWNER?

After more than 15 years in veterinary medicine, I've seen firsthand the challenges that lead to burnout in our industry-long hours, poor work-life balance, and overwhelming stress. These issues have plagued so many clinics, and I wanted to do something about it. That's why I founded Oakwell Animal Hospital. My vision was to create a workplace where our team is treated like family, a positive environment

where we take care of one another. That culture directly impacts our quality of medicine and fosters stronger, more authentic relationships with our clients.

### WHAT WAS YOUR MISSION AT THE START OF YOUR COMPANY?

From day one, our mission has been to stand out from the crowd. We set out to build a veterinary clinic that not only provides top-tier care for pets but also creates a nurturing environment for our team. When our employees thrive, so does our quality of service, which means happier pets and clients.

### HOW MANY EMPLOYEES DOES YOUR COMPANY HAVE?

We're proud to have a dedicated team of 3 veterinarians and 13 support staff who bring their passion and expertise to work every day. Each team member is vital to our culture and success.

# WHAT SERVICES OR PRODUCTS DO YOU OFFER?

Oakwell Animal Hospital is a full-service veterinary clinic, providing comprehensive care. From routine wellness exams, vaccinations, and diagnostics to surgeries and handling emergency cases, we've got your pet's health covered.

# WHAT ARE YOUR COMPANY'S GOALS?

Our primary goal is to consistently provide excellent, compassionate care while cultivating a family-like atmosphere for both our employees and clients. We strive to treat every pet as if they were our own, while always looking for ways to learn, grow, and innovate. We believe that when we take care of our team, they're able to take even better care of your pets.

Our Thanks go out to You All! You chose us as the Best Boutique and the Best for Women's Clothing!

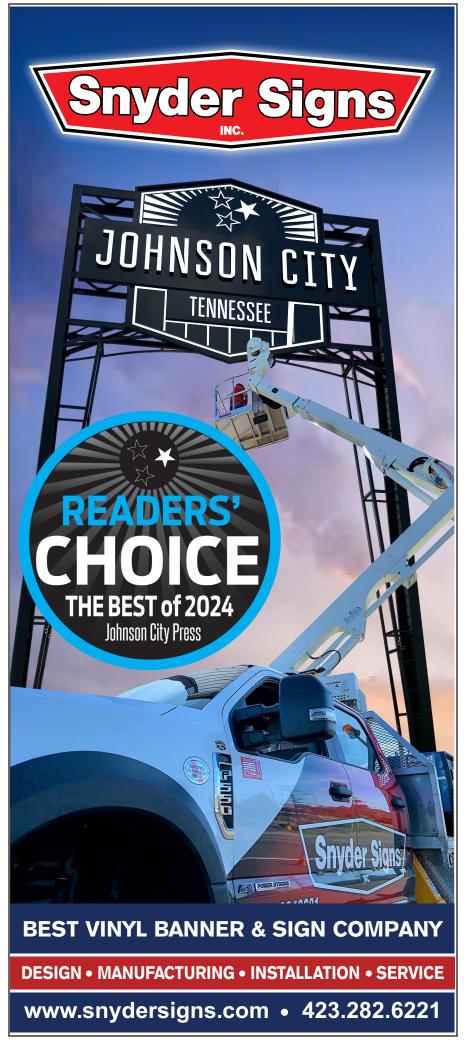

It is our goal to make everyone feel and look their very best!

# Rocky Top Motors

# ROCKY TOP S MOTORSILC

# WHEN DID YOU START YOUR BUSINESS?

**Rocky Top Motors** opened its doors at the end of 2019. My business partner, Frankie Brian, and I (Fletcher Bradford) co-founded the dealership. Together, we had the vision and determination to create something special, leveraging Frankie's experience in the car dealership world and my background in management.

# WHY DID YOU DECIDE TO BECOME A BUSINESS OWNER?

Frankie and I have been best friends since we met in the 7th grade, and since then, we've always talked about owning a business together. It was a childhood dream that we never let go of. In 2019, the stars aligned, and we had the chance to make it a realitythough we hadn't imagined back then that it would be a car dealership! With Frankie's reputation in the industry and my experience in management, we believed in each other's strengths and took the leap together.

### WHAT WAS YOUR MISSION AT THE START OF YOUR COMPANY?

From the beginning, our guiding principles have been simple: do what's right by and for our customers. We're hands-on in all aspects of our business, which allows us to stand behind the vehicles we sell. This commitment lets us take a broader approach to customer care than most other dealerships. We've learned some tough lessons along the way, but when you treat customers like friends or neighbors, the goodwill comes back around many times over

### HOW MANY EMPLOYEES DOES YOUR COMPANY HAVE?

Our team is small but dedicated. Frankie, myself, and another one of our childhood friends, Hunter Howren, manage the daily operations at Rocky Top Motors. We handle everything from buying, selling, and trading vehicles to getting them detailed and ready for our customers. Each of us wears multiple hats to ensure that we provide the best possible experience for our customers.

# WHAT SERVICES OR PRODUCTS DO YOU OFFER?

At Rocky Top Motors, we offer a range of high-quality pre-owned vehicles from family-friendly SUVs and luxury sedans to sturdy trucks. We provide financing options and several different warranty plans to meet our customer's needs. Our focus is on delivering transparency, quality, and a welcoming atmosphere, encouraging our customers to feel like part of the Rocky Top Motors family.

# WHAT ARE YOUR COMPANY'S GOALS?

Since opening, we've been fortunate to grow at a steady pace. Our dealership is located on a property that has a rich history in Johnson City's automotive scene—originally the last Dealership Brownie & Joe Sheffield owned "Sheffield Auto Mart". They built this car dealership with several decades of knowledge and experience owning several dealerships in Johnson City including the very first dealership located on the stretch of the Bristol Hwy. now known as the Johnson City Motor Mile! We're proud to continue their legacy while carving out our own. With the space and potential that this location offers, we're focused on continuing to grow and provide even better service to our community, keeping that hometown feel while offering top-notch quality used vehicles.

927 Watauga Avenue, Johnson City, TN • 423-926-5006

# Body, Health & Mind Center

## WHEN DID YOU START YOUR BUSINESS?

I founded Body, Health & Mind Center in June of 1999, originally located on Sunset Drive above the Johnson City mall. From the beginning, I envisioned creating a space that would become a sanctuary for relaxation and wellness. As we grew, it became clear that we needed to expand our services, so in 2003, we moved to our current location on North Roan Street to offer a broader range of treatments and wellness options. Over 25 years later, we remain committed to serving the people of the Tri-Cities area with exceptional care.

# WHY DID YOU DECIDE TO BECOME A BUSINESS OWNER?

Becoming a business owner wasn't something I consciously decided—it felt like a natural progression. I come from a family of entrepreneurs, so the skills and mindset were in my blood. My first experience working in a small business came at just six years old in my grandfather's rental store. By the time I was 16. I had already launched my first business venture doing body piercing while still in high school. Body, Health & Mind Center grew out of my passion for helping people find balance in their busy lives, providing them with a

safe place to nurture their bodies and minds.

# WHAT WAS YOUR MISSION AT THE START OF YOUR COMPANY?

When I started Body. Health & Mind Center, my mission was to create a safe and welcoming space, particularly for women seeking body piercing services. But as I listened to our clients' needs, the vision quickly expanded. We evolved into a full-service medical day spa, dedicated to providing top-quality treatments that cater to the diverse needs of our community. Affordability was always a priority, and over the years, we've maintained that commitment, making wellness and beauty accessible to everyone.

### HOW MANY EMPLOYEES DOES YOUR COMPANY HAVE?

We're proud to have a talented team of 19 dedicated professionals who are passionate about helping our clients look and feel their best. From our licensed massage therapists and estheticians to our highly skilled medical professionals, everyone at Body, Health & Mind Center is focused on delivering exceptional care and personalized services.

# WHAT SERVICES OR PRODUCTS DO YOU OFFER?

Body, Health & Mind Center is your

one-stop destination for total wellness. We offer a full range of services, including therapeutic massage, facials, and body waxing, as well as lash and brow treatments, manicures, pedicures, and hair salon services. Our medical spa offerings include injectable fillers and Botox, microneedling, laser hair removal, IPL skin rejuvenation treatments, and medical weight loss programs. Whether your wellness goal is relaxation or more results

based, our team is

dedicated to finding

helping you feel reju-

venated inside and

## WHAT ARE YOUR COMPANY'S GOALS?

As we celebrate 25 vears in business, our goal is to continue to build lasting guest relationships. I want to continue on the strong foundation we have with our talented professionals with growth through continued education and professional development. We aim to stay the course, delivering quality services and maintaining our commitment to affordability and customer care. We look forward to continuing to be a standard of wellness within the Tri-Cities.

# Tennessee Hills Distillery

# WHEN DID YOU START YOUR BUSINESS?

I started Tennessee Hills Distillery in 2014 when I was 26, alongside my wife, Jessica. It all began with renovating the historic Salt House in Jonesborough, bringing new life to my family's distilling heritage.

# WHY DID YOU DECIDE TO BECOME A BUSINESS OWNER?

Distilling is in my blood—it goes back 11 generations in the Callahan family to County Cork, Ireland. I knew I wanted to carry on that legacy and the talents and traditions that the Irish brought with them to America.

From an early age I always knew I wanted to be an entrepreneur, so I decided to start Tennessee Hills to share our heritage with the world and create a brand that represents the people and culture of Eastern Tennessee.

### WHAT WAS YOUR MISSION AT THE START OF YOUR COMPANY?

From the start, our mission was simple: to craft exceptional spirits that represent the rich heritage of Tennessee, while innovating to create new and memorable experiences for our customers. I wanted to build something that connected people, whether

through the spirits we make, the stories we tell, or the experiences we offer. Quality, authenticity, and community have always been at the heart of everything we do.

### HOW MANY EMPLOYEES DOES YOUR COMPANY HAVE?

We currently have roughly 60 employees and are rapidly growing as we continue to expand, with our newest location in Bristol set to open this late fall. Our team works across various locations, including our distillery, brewstillery, tasting rooms, and food trucks like the Smokestillery. We're

proud to provide jobs in the region and continue to support our community as we grow.

# WHAT SERVICES OR PRODUCTS DO YOU OFFER?

At Tennessee Hills. we offer a wide variety of craft spirits, including whiskey, rum, vodka, gin, and cream liqueurs. Beyond that, we've expanded to include our Brewstillery in Johnson City, where we brew craft beer alongside our distilling operations. We also operate food trucks like the Smokestillery, which serve award-winning barbecue to pair with our drinks.

ASON FRANKLIN

Tennessee Hills Distillery is one of the 2024 Readers Choice Awards winners.

# WHAT ARE YOUR COMPANY'S GOALS?

Our goal has always been to share the authentic taste of Tennessee with as many people as possible, whether through our craft spirits, beers, or culinary experiences. We're continuing to grow, with our new Bristol facility allowing us to scale production and offer even more unique products. At the end of the day, we want to create responsibly rowdy experiences that people will always remember, and we aim to be a leader in craft distilling not just in Tennessee, but across the country.

### WHEN DID YOU START YOUR **BUSINESS?**

2017 — We are locally family owned and operated. We have won readers choice 5 years in a row.

### WHY DID YOU DECIDE TO **BECOME A BUSINESS OWNER?**

Our family spotted a need in our community for high quality collision repair work and had a mission to fill that need.

### WHAT WAS YOUR MISSION AT THE START OF YOUR **COMPANY?**

To create a collision repair shop that worked and advocated for the customer and for proper repairs looking out for their best interest, rather than working for insurance companies.

# **HOW MANY EMPLOYEES DOES YOUR COMPANY HAVE?**

# WHAT SERVICES OR PRODUCTS DO YOU OFFER?

Collision repair and detailing services. We work with all insurance companies and customers do have the right to choose where they take their vehicle.

### WHAT ARE YOUR COMPANY'S **GOALS?**

Our goals are to provide exceptional service, provide high paying jobs to our community, and give back to the community that supports us!

# Why you should shop local for the holidays and beyond

Various components come together to make the holiday season a festive time of year. There is a lot to get done in a short amount of time during the holiday season, and part of that includes shopping for all of the family members and friends on your shopping list. Shopping can be a complicated process that involves identifying which stores will be the best places to shop. Local retailers make the perfect place to shop for holiday items.

According to the American Express Business Economic Impact Study, more than twothirds of every dollar spent with a local business stays in the community. Indeed, shopping local benefits consumer and community alike. The following are some of the many perks to shopping locally throughout the holiday season.

 Personalized attention: Small businesses are known for their personalized customer service and owners and staff are often lauded for taking the time to interact and learn about their customers, a dynamic that is impossible at larger retailers.

- · Meet and interact with people: Shopping in-person at local stores, you'll see faces from your community and become better known in the local area.
- Shorter lines: Local stores are bound to have smaller crowds and thus shorter lines. That translates to less stress and hassle when it comes to getting in and out with holiday gifts.
- Smaller carbon footprint: Pollution, traffic congestion, habitat loss, and resource depletion may not occur on the same levels when shopping locally compared to patronizing big box stores. That's because local retailers tend to create or source their products locally,

whereas many big box stores secure their goods overseas.

- · Easier parking: This goes hand-in-hand with smaller crowds, as shopping locally does not typically require driving up and down endless aisles at malls or standalone retail stores in an effort to find a parking spot. Local retailers in town may have on-street parking or closed lots that are convenient to shoppers.
- · Small batch shopping experience: Consumers can secure items in small businesses that are not carbon copies of those found across the country at major retail chains. When seeking a unique, thoughtful gift, shopping locally is the way

Shopping locally this holiday season provides an array of benefits to consumers, and helps to solidify a strong Main Street in communities.

# Why supporting local small businesses matters

The holiday season is a time of year when shopping takes center stage. While online giants and big box retailers seem to be everywhere, offering an endless array of products with the convenience of low prices, small businesses provide a range of benefits that go far beyond the ease of a mouse click or mountains of merchandise. Shopping local retailers is more than just a transaction — it is crucial for maintaining the economic foundation of local communities. Let's take a look at the many ways it pays to shop small businesses during the holidays and all year

• Strengthen the local economy: A large percentage of the money spent at small businesses stays in the community. That's because these businesses often are owned and operated by local residents who are invested in the community themselves. Various studies indicate that for every \$100 spent at a small business, roughly \$70 stays in the community.

· Enhanced customer service: Owners and employees of small businesses have a keen interest in keeping customers happy. They often do so by providing superior customer service. Tailoring recommendations, exhibiting a willingness to accommodate special requests, offering a more engaging shopping experience, and being more friendly and connected with regular customers sets many small businesses apart.

• Support the community: Small businesses serve the community through the products

and services they offer, and many give back in other ways as well. Small, locally owned businesses often sponsor schools, sports teams and charities. This helps foster a sense of belonging in the community.

• Innovative offerings: Small businesses are not beholden to corporate policies or franchise restrictions, so they can more readily bring new life to existing ideas and trends. Small businesses can offer customers different options that larger retailers cannot match.

• Job creation: Small businesses employ a significant percentage of the workforce and frequently provide jobs that might not be available in larger corporate settings. The U.S. Small Business Administration Office of Advocacy says small businesses have

generated 12.9 million net new jobs over the past 25 years, accounting for two out of every three jobs added to the U.S. economy. Keeping residents working helps strengthen local communities.

There are numerous benefits to shopping at small businesses this Small Business Saturday and throughout the year. Such firms help to establish a more resilient, diverse and bustling local community.

For you, brethren, have been called to liberty; only do not use liberty as an opportunity for the flesh, but through love serve one another.
