WE AT THE JOURNAL RECOGNIZE THAT

local businesses and businesspeople are the heartbeat of our county. That's why we hold this annual readers' choice awards contest—to provide a platform to honor those the public chooses year over year.

The votes in this year's final round — more than 70,000 of them — have been counted in 220 categories, and we're proud to announce the winners and finalists.

Winners in each category are listed first with a crown. Finalists are listed next in alphabetical order. If there was a tie for a winner or finalist spot in a category, both are listed.

CONGRATULATIONS TO ALL!
