2020-21 School Re-Opening Plan DRAFT

After reviewing our current draft plans, meeting with the Remote Learning Work Study Group and Admin Team, hearing from the MEA, and reading results of multiple surveys we have modified our plan to better address several concerns. Our parent choice survey indicated 75% of parents prefer in-school learning, 23% prefer at-home learning, and 2% have a medical note or plan to homeschool. There is no perfect school re-opening plan and this one is still a draft but we feel like it meets most of our needs and priorities.

These plans allow for:

Parent/Student choice of learning options, in-school learning five days per week, daily teacher time for remote learning, reduced time masking in school, elimination of classroom lunches, increased available cleaning time, minimum five hours of daily learning/instruction/schoolwork, overall reduction in number of students in buildings and reduced students on busses (due to at-home learning option).

In-School Learning Plan Option Summary

Five days per week

Early dismissal daily

MHS/MMS/WH 1pm, WASH 110pm, LINC 115pm

Busing up to 50 students per bus

MHS/MMS lunch grab and go at dismissal

LINC/WH/WASH lunch served in small groups and large spaces (not classrooms)

IDPH guidelines for masking, distancing, grouping, and temp/symptom checks apply for all

At-Home Learning Plan Option Summary

Students must opt into At-Home Learning for semester

Instructional plans shared twice per week

Teacher/Student remote interaction M/Tu/Th/Fri 130-300

Teacher Collaboration/Remote Planning Wed 130-300

Students assigned to classrooms

Focus on core curriculum courses

Instruction follows in-school lessons

Attendance/Grading Required

Students not eligible for extra-curriculars (exempt medicals)

Food plan for students available

Additional details with full draft plan will be shared on Monday, July 27.
The plan is still a DRAFT and subject to Board approval and change.
