## Let's Make High-Quality Pre-K a Priority in Forsyth County.

As a coalition of organizations committed to affordable, high-quality Pre-K in Forsyth County, The Pre-K Priority continues to build momentum as a diverse collection of local advocates who believe that early childhood education can be a game-changer in our community. With interdisciplinary strengths and missions, all of the organizations below have pledged to support broad, equitable access to Pre-K programs in order to improve the overall success of all children as well as the social mobility, economic strength, and future promise of our community.
