

LIFE IS JUST THE WAY YOU LIKE IT

when you're in control.

At Salemtowne, you have the freedom to choose how you age, whether you're at our vibrant 120-acre campus or you remain in the home you love with Navigation at Home.

Live with confidence at our Life Plan Community, backed by 50+ years of senior living expertise and a full spectrum of services that nurture your physical, social, intellectual, and spiritual well-being. Or if you prefer to stay where you are, Navigation at Home offers a proactive, holistic approach to aging in place, with the support you need to enjoy your retirement in the place you already know and love.

Either way, we empower you to stay active and independent, keeping you in control.
