

40 years. 1 more home.
endless futures.

years of
homes.
community.
hope.

Together, we build better futures.

This year marks Habitat for Humanity of Forsyth County's 40th anniversary. With your support, we've helped nearly 450 local families achieve safe, affordable homeownership.

Now we're celebrating by building one more home — our **40th Anniversary House** — honoring the decades of impact behind us and the futures still to come.

When you shop at ReStore, round up your total at the register to help build the 40th Anniversary House for a local family, or donate online at
